## Village Buys Building To Add Walkway

by KAREN WILTBERGER

What was once one of the most popular spots in downtown Antioch is a vacant building ready to be demolished in an effort to revitalize the central business district.

The village of Antioch has purchased the building at 933 Main St., which was occupied by Thompson's Bar and Grill until three years ago. The building will be demolished and turned into a pedestrian walkway, aiming to utilize the area behind the eastside businesses.

The move stems from a recommendation of the redevelopment commission, headed by Mike Warren.

It will be the first step to revitalize the east side of Main Street, allowing residents to pass from downtown to the area behind the

eastside businesses, Warren said.

The gravel area is designated for special events as well as additional parking, Warren said. Events, such as carnivals and boat shows, currently are held in the municipal parking lot between McDonalds and Ben Franklin.

The problem with using the parking lot, Warren said, is the dissatisfaction that can arise from merchants as well as customers. The merchants depend on the lot for their customers, who will shop elsewhere if they can't find a parking place, Warren said.

Warren said the area will remain gravel until area use intensifies, at which time the addition of grass and other investments can be decided upon.

A construction time table will be set as soon as the village decides on a contractor, Warren said.

The walkway is just part of the combined plans of the village of Antioch and the 7-member commission, which formed in February 1984.

Accomplishments include the relocation of the Chamber of Commerce to downtown and a survey of rental housing and businesses. The commission is now working on the addition of more highway signs advertising for the downtown business district.

## Area Man Charged With Forging Personal Checks

A 24-year-old man, who has residences in Antioch and Fox Lake, was arrested Aug. 27 after attempting to cash a forged personal check at Foremost Liquors, 488 Orchard St., in Antioch.

Dennis S. Grabow, who has address listings at 75 Ida Ave., in Antioch, and 144 Eagle Point Rd. in Fox Lake, was charged with two counts of forgery.

Antioch Police Lt. Thomas Fisher said Grabow, who has gone under the last name of Drabow, stole the checks from Donald Reimer, of Antioch Grabow, while visiting

Reimer, apparently took the checks from Reimer's house, Fisher said.

The arrest occurred the third time Grabow forged personal checks to the liquor store, which add up to several hundred dollars, Fisher said.

Liquor store owner Donald Kosh called the police about 4 p.m. shortly before the arrest occurred.

An investigation has begun to uncover other forgeries suspected to have taken place in the area.

### Along the way with ANNIE MAE

HAPPY ANNIVERSARY AND CONGRATULATIONS to Dr. and Mrs. Biron on 50 Years!!! Aug. 28 they were married 50 years and what a lovely couple! Bob and Lillie Kennedy celebrated their fourth on Aug. 22. Long way from 50 but look at all of the celebrating you can do for the next 46 years!

Belated happy birthday to Laddie Korecek of Johnson Jewelers on his big 30 on Aug. 23. He had a SURPRISE party on Aug. 13 so he celebrated for two weeks! Happy 39 to Larry Paszkiet on Aug. 21. That was another big bash I hear! And Theresa Weber on Aug. 28. HAPPY BIRTHDAY TO ALL OF YOU!

Have you seen the lovely fall clothes in the shops in town? With Labor Day here it is time to get those plushy sweaters and think about winter coats! Where did the summer go? I do love those "rich" winter clothes though and fall is one of my favorite seasons — I wish it lasted as long as winter seems to!

Dan and Kathy Spies brought home to Sierra, a baby brother, Drew Michael born Aug. 22 at 8 pounds, 2 ounces. Grandma Marilyn Sterbenz is having FUN!

Everyone had better get those holes of golf in and the last dip at the swimming pool as we are seeing a close of summer. I hope you all have a safe, fun Labor Day Weekend!

### The Time Machine

#### Ten Years Ago: September 3, 1975

A few years ago Dan Walker walked across the state of Illinois to gain popularity and become governor. The only way he could have been popular last Sunday was if he had come walking across the water in Fox Lake. That's where nearly 250 boats and almost 2,000 people gathered for an "Anchor-In" to protest the governor's veto funds to combat flooding and pollution in the Chain o' Lakes.

The Antioch Sequoia football teams will honor one of Antioch's foremost citizens Saturday designating that day "Jim McMillen Day."

The village of Antioch has received permission from the state of Illinois to proceed with the Sequoia Creek enclosure project.

#### Thirty Years Ago: September 8, 1955

Antioch schools opened this week and as was expected all enrollments have increased. The high school has an enrollment of 473. The Antioch Grade School has 612 students. St. Peter's parochial has 387 students. Grass Lake has an enrollment of 104, an increase of 20.

Scrimmages by the varsity football team of Antioch High School are in progress as Coach Paul Kessenich attempts to train and condition his squad for his first game to be played here Sept. 17 with Wilmet.

Lawrence A. Doolittle, 74, a native of Antioch township, and a former Lake County sheriff, died Saturday in Victory Memorial hospital after an illness of several months.

Antioch merchants will not need to report to the village the amount of sales and the village tax as the result of action taken Tuesday evening by the village board in amending the tax law.

#### Fifty years ago: September 5, 1935.

Eleven Future Farmers from the vocational agriculture department of Antioch Township High School competed with members of 23 schools of Northeastern Illinois at the annual vocational fair at Belvidere last week to bring home \$88 in premiums and ribbon awards. Outstanding winners for Antioch were Conrad Shedeck, Alfred Anderson, Clarence Dunford and Robert Griffin.

Antioch Legionnaires have been well repaid for their efforts in staging a four-day festival over the Labor Day weekend with the largest attendance such a feature has drawn in the community.

In the champion fisherman tournament held at Sorenson's resort on Channel Lake, Ed Sorenson with a catch of 14 black bass and pickerel of legal six kept the championship from leaving the region.

# Herbs Aid Digestion; Good For Cooking?

by Pat DeAngelis

**Question:** Please provide ideas on how to use herbs in cooking. Also, what herbs compliment which foods?

**Answer:** Herbs are usually leaves of plants that often aid digestion and utilization of food. There are many herbs that can be used daily for increased variety.

Spices, sometimes thought of as herbs are often roots of plants and may delay the digestive process. Examples of spices are black pepper, chili powder, paprika, tumeric, nutmeg, cumin and cinnamon. Small quantities of these spices used occasionally are appropriate.

The best known salad herbs are dill, parsley, chives, tarragon, and basil. You can make your own herb vinegar by putting a sprig of fresh herb such as basil in a bottle, fill with apple cider vinegar, and then cork and allow to age two weeks before using. This is one way to use fresh herbs year round.

## Pat D's Nutrition Today

Pat DeAngelis is a nutrition consultant to American International Hospital, Zion. Readers with questions about the food and liquid they consume are invited to address questions to Pat D's Nutrition Today, Lakeland Newspapers, P.O. Box 268, Grayslake, Ill. 60030.

If green herbs are out of season, dried herbs are the logical substitute, and are best added to salad dressings. One tablespoon of dried herbs to 2 cups of dressing or dip base is a good guideline. If using a mixture of herbs the total should equal one tablespoon. For fresh herbs use approximately three tablespoons per two cups of dressing.

Dill, basil and tarragon compliment fish well. When cooking fish in water such as lobster or crab you may want to tie in a cheesecloth bag 1 bay leaf, 1 fresh thyme sprig, 2 celery stalks with leaves, 6 peppercorns, 1 small carrot, 1 medium onion

stuck with 5 whole cloves to add to the cooking water for the duration of the cooking process. This quantity flavors two quarts of cooking water. For fish fillets being broiled, add minced fresh parsley for flavor, color and nutritional value.

Caraway seeds can be sprinkled on pork roast and fennel seeds turn bland ground turkey into "sausage" without the high fat content. Rosemary leaves and savory are great for lamb and mutton. Thyme is useful with soups, stews and beef. Sweet marjoram is used with poultry and can be added to soups and stew.

Herbs need to be used very generously and used near serving time for best effect. Many combinations of herbs are possible. You will need to experiment to discover a whole new flavor taste. Garlic is actually an herb with several medicinal features, which helps salads, soups, casseroles and most foods with taste appeal. Garlic, as with many other herbs, needs to be used on an individual basis for individual tastes.

Herbal seasoning mixtures are now available in supermarkets and health food stores. These mixtures usually come in a small shaker bottle and should be used in place of the usual salt and pepper seasonings. You need to read the label carefully since salt is many times the major ingredient.

You can make your own herb seasoning in your blender with 2 tbsp. each of dried basil, parsley, thyme, marjoram, 1 tbsp. ginger, 2 tsp. finely grated lemon rind, 1 tsp. sage and dry mustard, and 1/4 tsp. cayenne pepper processed on low speed until combined. Spoon into a shaker top container with a piece of wax paper inside to keep lid airtight when not in use. Store in the refrigerator. Makes 1/2 cup.

A small herb garden can be a lot of fun to grow. Herbs thrive in pots on window sills, window boxes or strawberry pots. You can dry herbs on a tray in the sun by turning every two to three days until completely dried out. Another method of drying, especially for long stemmed plants is to hang them from the stems in a cool, dark place until fully dried. After the herbs are dried, they should be stored in tightly closed glass containers in a cool, dry place.

The use of HCG in a weight reduction program was originally researched and developed by Dr. A.T.W. Simeons of Rome, Italy over 30 years ago. Since Dr. Simeons' early work, HCG has been prescribed in Europe for weight reduction in both men and women. The program has been successfully used in the U.S. for the last 15 years.

Indications: HCG is not approved by FDA as safe and effective for weight control. There is no substantial evidence that it increases weight loss beyond that resulting from calorie restriction, that it causes a more attractive "normal" distribution of fat, or that it decreases the hunger and discomfort associated with caloric restricted diets.

# Six Flags Honors Firms

Eighteen Lake County firms will be recognized as Pacesetter companies at the United Way of Lake County's 1985 Kick-off celebration at Six Flags Great America on Friday, Sept. 13.

Pacesetters are those companies that conduct an employee campaign or commit to a corporate gift before the community campaign kick-off in mid-Sept.

The companies are: Air Com, American Information Services and American Scientific Prod., both

divisions of the American Hospital Sup. Corp., Bank of Waukegan, Baxter-Travemil Labs., Coudell Memorial Hospital, First Federal Savings and Loan of Waukegan, Hewitt & Assoc., Dresser/International-Elough

International Minerals & Chemical Co., Libertyville National Bank, Manpower Temporary Services, Midland Div., Dexter Corp., Montgomery Ward Co., Outboard Marine Corp., and William Zeigler & Son, Inc.

The United Way of Lake

County 1985 Campaign Cabinet, The United Way of Lake County Board of Directors and the 17 United Way of Lake County member agencies also will be recognized as Pacesetters at the Kick-off.

The 1985 goal for the Pacesetter campaign is to be able to report \$500,000 or 20 percent of the total campaign goal by Sept. 13, the scheduled kick-off date.

Tickets for the 1985 Kick-off celebration at Six Flags Great America are available

for purchase at Dominick's Finer Food Stores in Evanston, Highland Park, Vernon Hills and Waukegan. They are \$5, less than half the usual general admission. Admission will be only with a special United Way ticket.

The purpose of the event is to kick-off the United Way of Lake County's annual fund-raising campaign. The United Way of Lake County supports more than 90 human service programs offered by 17 health and human service agencies throughout Lake County.

## Plan Speaker

Fr. John M. Thimmes, pastor of St. Gilbert's Catholic Church, will be the first speaker in a series of four forums scheduled for the celebration of the 15th anniversary of the United Protestant Church.

Fr. Thimmes' topic will be "Origins of the Christian Church." The forums begin on Sept. 8 at 8:30 a.m. at the United Protestant Church.

## Pet Of The Week

Pat McManus, of Wilmet, is the proud owner of Bandit. McManus found this young raccoon abandoned near her house. Once weak and wild, Bandit is now a curious and lovable critter, who follows Pat around the house, sits on her shoulder and even kisses her cheek. If anyone else would like to introduce their pet to Lakeland readers, send a picture and description of your pet to the editor of this newspaper.—Photo by Jody Lewand.

## Correction

Lakeland Newspapers would like to apologize for the error involved in a story titled "Cedar Villa Flight Sends 1 To Hospital" in last week's edition (Aug. 26). The man identified as Earl Wolford was not the one who allegedly entered the apartment of Amy Hogan through an open window. It was Wolford's nephew, Billy Ray Wolford, who allegedly entered the apartment and eventually got into the fight with Charles Brown, an on-duty police officer. It was also Billy Ray who ended up scuffling the headlights and windows on Brown's car. Billy Ray was arrested about an hour and a half before the fight occurred with Waukegan resident John A. Rathman. It was, however, Earl Wolford who was hospitalized after the fight with Rathman.

Chapel Hill Restaurant

## Chapel Hill For Lovers Of Country Casual Dining

by GLORIA DAVIS

Casual dining is the natural order of the day at Chapel Hill Restaurant located in the clubhouse of the Chapel Hill Golf Course in McHenry.

The club offers golfers an 18-hole course complete with watered fairways as long as the weather will permit.

There is a rustic sandwich shop in the Halfway House and an outdoor bar and barbecue spot in the 19th Hole, but the finer dining is offered at the restaurant that will seat approximately 150 guests.

Customers will find that Chapel Hill's menu is a full one, featuring everything from seafood to steaks and chops, but the most popular entree is the perfectly cooked prime rib, succulent enough to please any discriminating palate.

For the economy minded who don't want to eliminate good taste in favor of lower charges, the diningroom has daily specials.

Banquets and parties of all kinds are

another specialty of the house with the banquet hall seating up to 250 diners.

Mgr. Jan said that Chapel Hill is open for banquets at any time desired, seven days and nights a week, but she warned that the club is already booking parties into 1986.

Cocktail parties, graduation celebrations, business dinners, political functions and group awards dinners, as well as wedding receptions head the list of the activities that are feted in the banquet hall annually.

The prices are reasonable, all staying within the medium price bracket.

The restaurant is now serving dinner from Wednesday to Saturday, from 5 p.m. to 10 p.m. and Sunday brunch and dinner is served from 10 a.m. on.

The staff at Chapel Hill takes a winter hiatus every year when the entire club is closed during the months of January and February.

For more information and to make reservations call Jan at (815) 385-0333.

# Rotary Club Honors New Teachers At Luncheon

The Antioch Rotary Club welcomed 38 new Antioch area teachers at a chicken kiev luncheon Aug. 22 at Sterbenz's Little Acres.

Thirty-three of the 52 active club members attended the luncheon where superintendents and principals as well as club

members and their guests were introduced.

Teachers joining the Antioch Community High School staff are: Pamela Kanwischer, Deborah Cummins, Christina Lindberg, Claudia Maher, Judy Sorensen, Victoria Fikes, Charon Neul and Joseph

Fielding.

The Antioch Upper Grade School Dist. 34 will add Deborah Schaefer, Anna Rogachuk, Debra Kelly, Lorna Faith and Caroline Nasenbeny.

Antioch Elementary School Dist. 34 will add to its staffs Debra Eismann,

Janice Brandes, Colleen Bivona, Diana Deatherage, Susan Gehring, Shari Gehrke and Claudia Hovey.

Grass Lake Elementary School will add to its staff Tim Michalek, Sharon Neubauer and Christine Aschbacher.

June Kelley will begin at Emmons Grade School and Steven Skurski and Sandra Vanderstappen will join the Milburn Elementary School faculty.

The tenth annual new teacher luncheon stems from the rotary concept of

linking school and community organizations.

The Antioch club also provides scholarships for high school students continuing their educations and sponsors a foreign exchange program.

There are 22,000 rotary clubs in 152 nations.

# Artists To Show Rank Skills At Library Health Dept.

Celebrate Illinois Arts Week at Cook Memorial Library! From Sept. 27 through Oct. 6, local artists and craftspersons will be demonstrating their skills in the Library lobby.

Feel free to visit with them, ask questions, and learn about the truly wonderful world of Illinois art. Demonstrations will take place each afternoon and evening during regular Library hours.

While you're at the Library, take time to view the art and craft displays in the exhibit cases, as well as the wall displays and book displays.

In September, a picture quilt exhibit by Priscilla and a textile exhibit by the Lake Weavers will be highlighted. In October, come see the community photography exhibit, the arts and crafts books display, and the beautiful products of our arts and crafts demonstrators.

The Library is open Mondays through Thursdays, 9 a.m. to 9 p.m., Fridays and Saturdays, 9 a.m. to 5 p.m., and Sundays (after Labor Day) from 1 p.m. to 5 p.m.

A schedule of demonstrations are as follows: Sept. 27, afternoon: Classical Sculpture, by Mark Fredenburg; Sept. 28, afternoon: Porcelain Doll-making, by Lynn Kublank; Sept. 29, afternoon: Calligraphy, by John Weber; Sept. 30, afternoon: Macrame Jewelry, by Terry Harrison; Sept. 30, evening: Weaving and Spinning, by the Lake Weavers; Oct. 1, afternoon: Basket-making, by Debra Gust; Oct. 1, evening: Tole Painting, by the Windy Brushes of Northern Illinois; Oct. 2, afternoon: Ceramics, by Winchester House residents; Oct. 2, evening:

Woodcarving, by Dave Kublank; Oct. 3, afternoon: Tatting, by Cindy Polfer; Oct. 3, evening: Needlepoint, by the American Needlepoint Guild; Oct. 4, afternoon: Decorative Folk Arts, by Esther Luke; Oct. 5, afternoon: Pottery, by Pearl Gwynne and Oct. 6, afternoon: Painting, by Sharon Nelson.

## Plans Eye Care Seminar

Are you nearsighted or farsighted? Do you have astigmatism, glaucoma or cataracts? Most people eventually develop one or more of these common eye problems. But new medical advances — ranging from extended-wear contact lenses to artificial lens implants to corneal transplants — can help correct them.

These new advances in eye care will be discussed Sept. 12 at a free Lake Forest Hospital seminar featuring Dr. Laurence Braude, ophthalmologist and clinical assistant professor at the University of Illinois.

The program will begin at 7:30 p.m. in the hospital's conference center, 660 N. Westmoreland Rd., Lake Forest. For more information or reservations, call (312) 234-5600, ext. 6700.

## Slate Programs

The Northeastern Illinois Special Recreation Assn. (NISRA) is offering a variety of fall programs for special education students and adults with special needs.

Among the activities scheduled are: gymnastics, guitar, after-school variety program, computers, bowling, swimming, creative movement, adult club, sensory/motor pre-school program, aerobic dancing, roller skating,

For the ninth year in a row, the Illinois Dept. of Public Health has designated the Lake County Health Dept. as a "certified" local health department, the highest rank granted.

The designation is a result of the 1985 State Program Review, performed earlier this year. The Director of the Illinois Dept. of Public Health, Bernard J. Turnock, M.D., M.P.H., presented a Certificate of Achievement to the Lake County Health Dept., acknowledging this accomplishment.

All 10 of the required programs were found to be in strict compliance with the rules as listed in the state's program standards. The mandated programs are: Administrative and Organizational Support, Maternal Health and Family Planning, Child Health, Chronic Disease, Communicable Disease Control, Food Sanitation, Portable Water Supplies, Private Sewage Disposal, Solid Waste and Nuisance Control.

According to the program review and summary explanation, "The review team considered the Lake County Health Dept. an outstanding unit ... (and) was impressed with the high level of 'desirable' programs conducted that are focusing on the need of the Lake County population."

Halloween party, dinner/dance, chicken dinner and holiday party.

NISRA is an extension of the Mundelein Park and Recreation Dist., the Vernon Hills Park Dist. and the Village of Libertyville. NISRA provides programs for individuals labeled mentally retarded, physically challenged, hearing impaired, visually impaired, learning disabled, behavior disordered and developmentally delayed.

Immediate funding has come from the village of Antioch and long-term bonds will be created through a tax incremental funding district, Warren said.

"We have a big job cut out for us," said Warren, expecting the commission to have a "fairly long life."

Mayor Raymond Tate appointed two members to the commission. Donald Skidmore, 34, will take the place of the deceased Warren Polley, 34, of Antioch Community High School. Village trustee Don Amundsen will take over for Rod White, who resigned to go to night school.

## Pin Pledge Winner

Bob Gagnon, of Antioch, won a video cassette recorder for collecting the most donations per pin in the Antioch Joyce Women's fifth annual bowl-a-thon, which raised more than \$3,000 this year. Next to Gagnon are (left) Janice Ledford, Joyce Women's treasurer, and Kathleen Kennedy, Joyce Women's president.

## Herman Williamson Graduates

Airman Troy S. Williamson, son of Carole L. Williamson of 1104 E. Kansas, Peoria, and Lyle L. Williamson of 705 Main St., Antioch, has graduated from the U.S. Air Force security police specialist course at Lackland Air Force Base, Texas.

Graduates of the course through the Community College of the Air Force. Williamson is scheduled to serve with the 328th Technical Training Squadron at Camp Bullis.

Wauconda Village Clerk Venita McConnell has gained the endorsement of Brenda Pedersen, the vice chairman of the West Deerfield GOP Twp. Organization in her bid for the Republican nomination for Lake County Clerk in the 1986 elections.

Pedersen states, "I am extremely pleased that the Republican party has a strong candidate like Venita McConnell. Venita has outstanding Republican credentials as demonstrated by her service as chairman of the Wauconda GOP Twp. Organization, a member of the Lake County Republican Executive Committee and a participant in the Republican Cabinet."

She continues, "Venita McConnell is the only candidate with a solid business background. Her management and business

experience will help her to effectively manage the approximately \$1.8 million budget of the county clerk's office. I feel that a business-oriented person will lend to the efficiency of the office."

Finally, she predicts, "Venita is a 'sure thing' to win the Lake County Clerk's office in 1986. She will manage the office effectively and courteously for all the people of Lake County. I am proud to add my name to the long list of those supporting Venita McConnell for Lake County Clerk."

Pedersen is also a Republican precinct committeeman in West Deerfield Twp. She has served on the board of directors of the Women's Republican Club of the 10th Congressional District. She is a member of the Deerfield Women's Republican Club.

The Mundelein Police Dept. and Lake County Crime Stoppers are seeking information about a burglary which occurred between 4:30 p.m., Aug. 5, and 7 a.m., Aug. 6, from a trailer located at the Venture construction site at Rte. 60 and Rte. 45 in Mundelein.

Taken was a "moisture density gauge" made by Troxler, model 3411B20857, bright yellow in color with dimensions of 8" X 24" X 36". This unit is on file with the Nuclear Regulatory Commission because it is powered by a radioactive isotope.

The Nuclear Regulatory Commission reported that the moisture density gauge is safe to handle as long as the unit is unopened. If the unit is opened, it could be hazardous to a person's health.

If you have any information about this crime or any other felony crime, or felony fugitive, contact Lake County Crime Stoppers at (312) 662-2222. If the call is long distance, call collect.

If your information results in an arrest or an indictment, you will be eligible for a cash reward up to \$1,000.

The Lake County Health Dept. offers dental screening, by a licensed dental hygienist, for adults and children at no charge to Lake County residents at the Mid-Lakes Medical Building, 6 E. Main St., Round Lake Park.

Dental Screening and oral health instruction will be offered there on Wednesday, Sept. 11 from 1 to 3 p.m. No appointment is necessary.

This dental session reinforces professional dental care and promotes good oral health habits. The hygienist will inspect the mouth, teeth and gums for possible defects and will instruct individuals in good toothbrushing and flossing techniques.

If the hygienist finds a

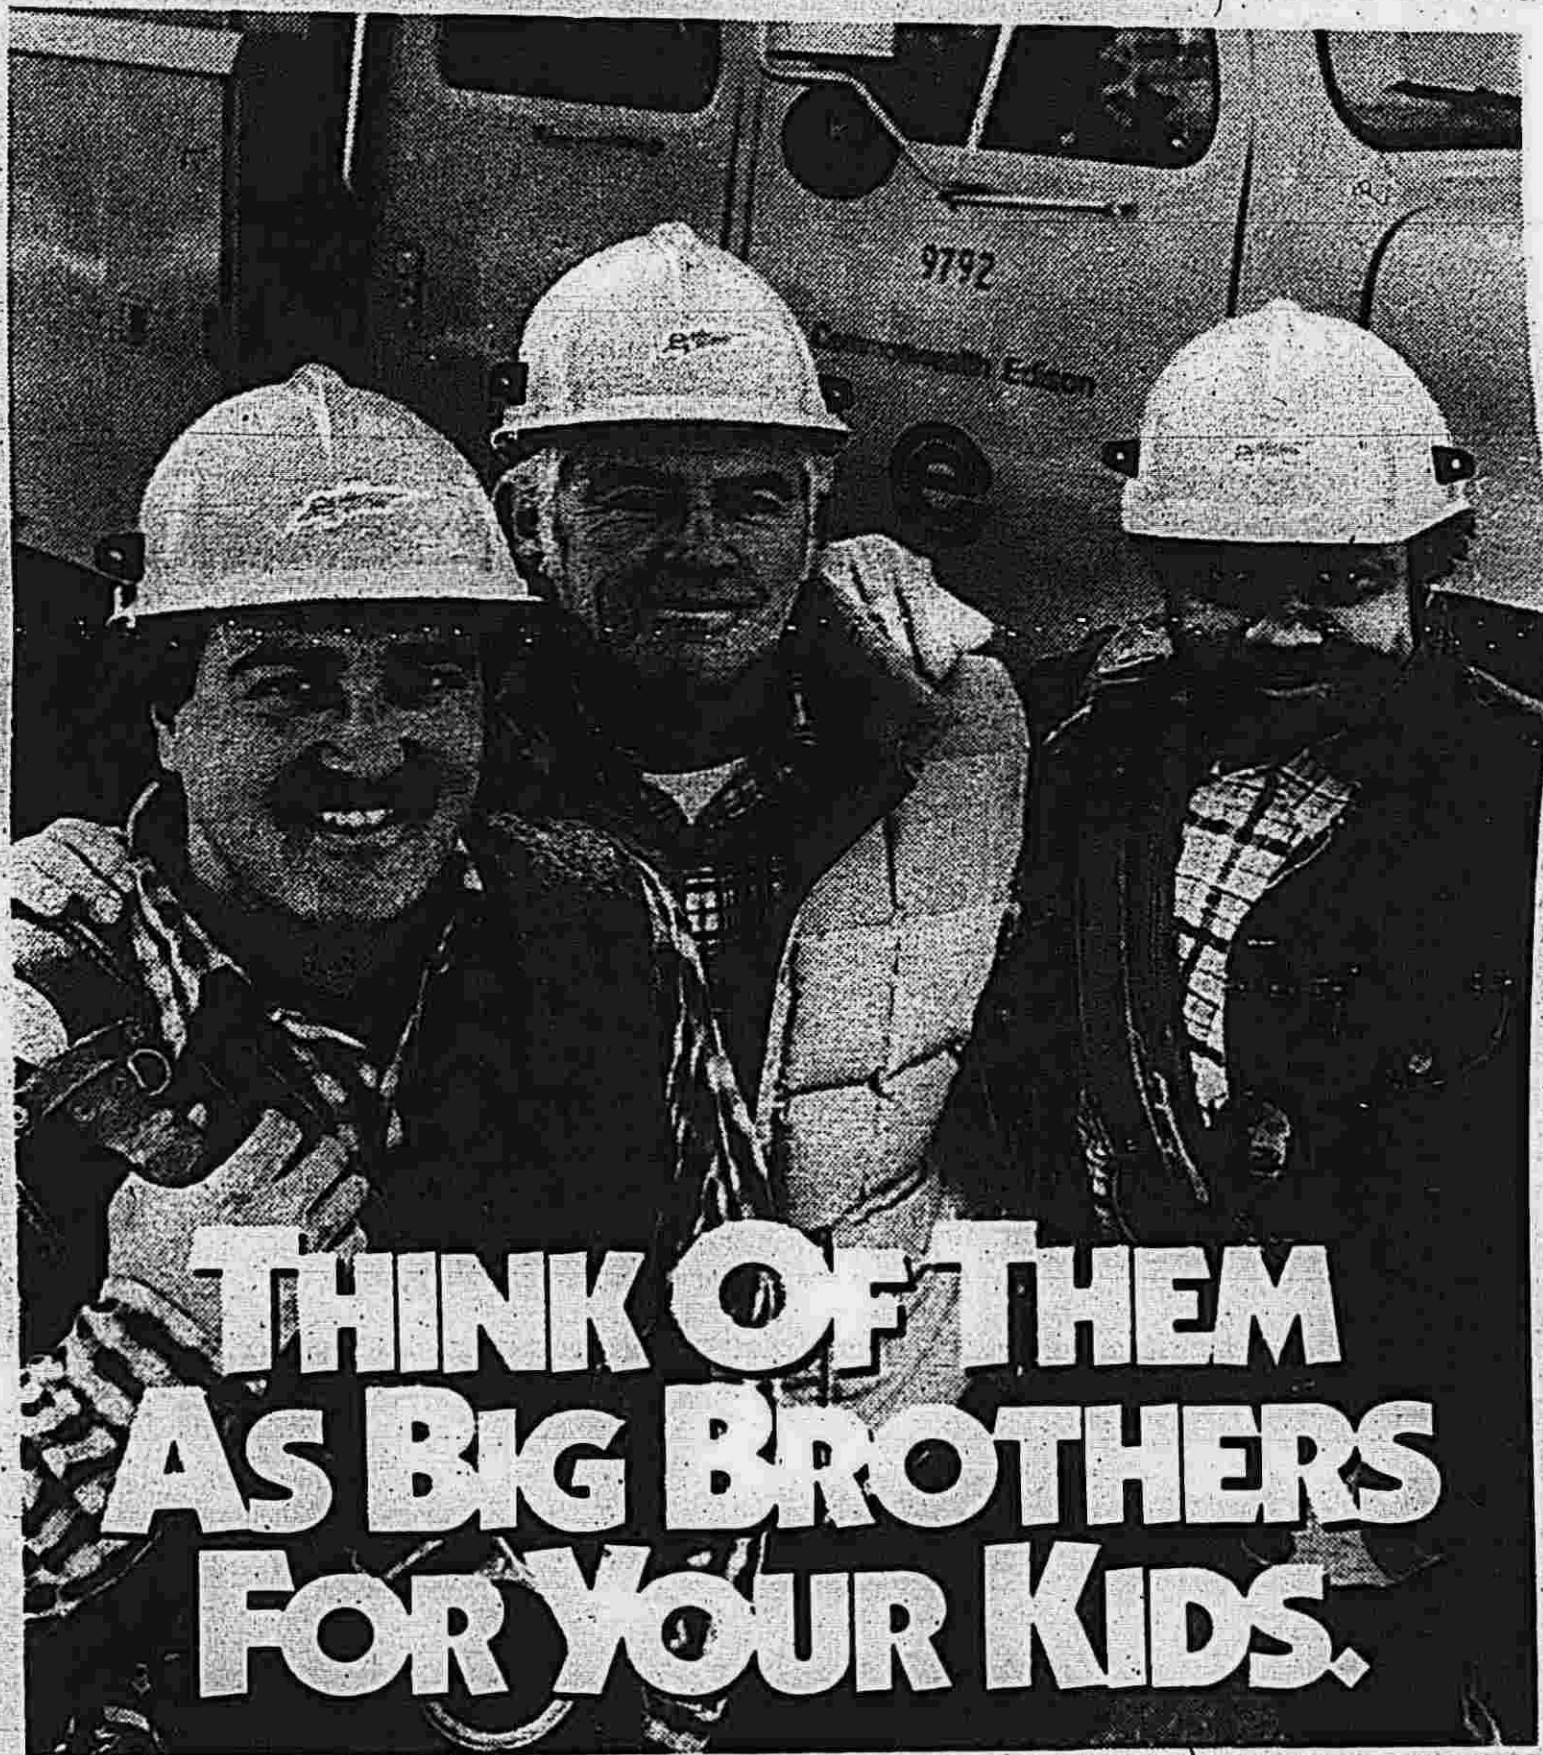

possible problem she will prepare a written report and refer the person to a dentist.

For more information, call the Mid-Lakes Medical Building at (312) 546-6662. For an appointment for a child, call the Barwell Settlement at (312) 244-5699.

Marge Sanders, newly elected President of Avon Unit Homemakers will preside at the Sept. 10 meeting at the home of Vearle Stanley, Grayslake.

The co-hosts will be Karen Potts, Druce Lake and Ginger Peil, Round Lake Park.

It's sad. We can't take it for granted anymore that our children will make it to school, or the store, or the movies, and back. We can't be sure it's safe for them to play in the park, or the schoolyard, or even the front yard, alone.

Until we can again, until they're finally out of danger, we're turning every Edison employee into family. To give kids in trouble or lost someone to turn to, someone who cares, when there's no police officer close by.

It's not a solution to the problem by any means, but it's a start. A team effort that all of us at Commonwealth Edison take very seriously. Especially the hundreds of crews we have working out on the streets.

Your kids can spot our trucks a long way off. When they see that big E in our logo, or the E-team emblem, they'll know they're among friends.

Please, tell 'em to look for us.

## Is 'Belt Beeper' Next?

Like good soldiers, police are doing their best to cope with the controversial new Ill. seatbelt law. But like an army, some of the soldiers are more enthusiastic than others. That accounts for the spotty enforcement, as was discovered by reporters for this newspaper in a survey last week.

Even though statistics overwhelmingly support benefits of seatbelt useage, there still is widespread opposition to buckling up. Enforcement practices will continue to vary from one police department to another, depending on purely local circumstances. In

all probability, the seatbelt law will be one of those on again, off again things until enforcement can be tied directly to the purse strings.

Now we're waiting for some smartee to invent a gizmo for the car belts that will emit a signal that can be detected by radar, making it easy for traffic patrolmen to identify scofflaws. This would be sort of an above water sonar. The "belt beeper" would create a whole new industry that would help reduce unemployment. There may be no end to seatbelt benefits.

## Faint Hearts Can Leave

Any doubts about the public school system being inextricably entwined in the community fabric have been erased by the nightmarish situation involving the reconstruction of Warren High School after the school was destroyed in a fire set by an arsonist.

The fire impacted on just about everyone. Students and families of students, of course, were the most immediately affected. Now it can be seen that the fire shock waves are touching a much larger part of the populace.

Viewpoints expressed in a letter to the editor last week are a flesh and blood example of how the school touches life in a community. Unfortunately, there is outward

movement now because of expected tax increases to pay for reconstruction and because of the unknown future.

Public concern about the future of Warren High is evidenced by the fact that 12 persons have filed for election to the board of education in the Nov. school elections. This is more than double the usual field of candidates in district elections.

From the long range viewpoint, it probably is just as well that faint hearts are leaving. Without doubt, higher taxes and rough sledding is ahead. Stalwart citizen support will be vital. The school needs friends now more than ever.

## People Get Their Say

For some reason, politicians have a distinct fear of people, or more correctly, the power of the people. Therein lies the main reason why it took so many years for the consolidation issue to come before the voters of the Round Lake area.

The question of unification of Round Lake's various municipalities has aroused interest both within the community and without for years. Elected officials heretofore have managed to steer the consolidation proposition away from the ballot. The latest campaign, at least the third serious attempt, has resulted in the question being set for referendum Nov. 5.

With four separate entities providing the grassroots government for what essentially is a single community, the Round Lake area at the same time is unique and an oddity. Over the years the "separate but equal" status has been both a strength and a weakness. In today's merger-conscious world, even some opponents of consolidation admit that separatism is holding the area back.

The interesting thing about the Round Lake area consolidation question is that the people are finally getting an opportunity to express themselves. It only took about 20 years, but then things in government usually move slowly—except when it comes to new taxes.

## Pawns

Now that the kids are back in school, look for the negotiating pace to quicken in schools where teachers do not have new contracts. At last check, 12 districts in Lake County started the new term with unsigned contracts.

As far as we're concerned, teachers do themselves no good by dragging their feet in contract talks during vacation months in the belief that their bargaining position improves when children are in class and the threat of a strike has new meaning. Pupils thus become pawns in the giant chess game known as negotiating.

## Dixon Disappointing In First Senate Term

by John Steinke

U.S. Sen. Alan J. Dixon, an enormously popular Democrat, will be after his second term in the 1986 elections. Dixon is the most successful vote-getter in Illinois history.

Since he entered politics in 1948 by winning election as Belleville police magistrate, his won-loss record is 27-0. Dixon has become widely-known because he has been in public office and politics for years: 12 as a state representative, 8 as a state senator, 6 as state treasurer, 4 as secretary of state and 5 as U.S. senator.

one of only two new Democrats elected to the U.S. Senate in 1980 amid the first Ronald Reagan landslide. It's little wonder that the Republican party may have to consult the yellow pages to find a U.S. Sen. candidate. No prominent Republican wants "the mission impossible" assignment to challenge the re-election bid of U.S. Sen. Dixon in 1986.

Dixon is a pleasant, affable, small-time politician, who enjoys the security and prestige of the U.S. Senate. But he is bored and bewildered by his senatorial duties. During his first term, Sen. Dixon has never introduced a major bill, made an important speech or played an important part in committee proceedings. He has built a successful political career by kissing babies, kissing bottoms and keeping his mouth shut.

Five years ago, Sen. Dixon was elected on the promise that he would work for Illinois. Dixon pledged that he would return our taxes from Washington in the form of defense contracts, research and development, educational grants, welfare payments and other federal spending. Here is a sampling of newspaper headlines documenting Dixon's failure to return our federal taxes to Ill. Recent headlines claim: Illinois Short-changed By U.S.; State Ranks Last In The Return of Federal Taxes; Illinois Is No. 48; Another Poor Showing In Per-Capita Federal Spending; Illinois Big Loser In Defense Contracts; Average Federal Tax Bill Up \$267; Illinois' Per Capita Burden Of \$3,190 Ranks Fifth Highest.

Sen. Dixon, where is the boodoggle?

## Steinke On Politics

He won re-election as secretary of state in 1978 by a record Democratic margin of 1,516,936 votes. Then Sec. of State Alan J. Dixon swept all 50 Chicago wards and the 30 suburban Cook County twps. enroute to carrying all 102 Illinois counties. No Illinois politician has ever duplicated the magnitude of Dixon's 1978 victory.

When Dixon ran for the U.S. Senate in 1980 he crushed his GOP opponent, David C. O'Neal, by a 619,006-vote margin. Dixon was

## Letters To The Editor

Go For It

Editor:

In regards to building "Plan C" for Warren Township High School - I say, "Go for it!" While the plans call for a somewhat smaller school than I feel we will need, and the auditorium is a bit smaller than I think it should be, it's certainly better than what we have now.

I feel that the majority of citizens in Warren Township are behind this proposal. It offers a well-designed building with plans for future expansion, should that become necessary. I hope that construction will begin immediately; I'd like my eighth grader to spend at least some of her high school career at Warren in Gurnee.

## Explains Incorporation

Editor:

I believe the businesses along Waukegan Rd. in the proximity of Knollwood should be willing to assist in the incorporation effort and in the changes mentioned, as good citizens and neighbors.

The day is fast approaching when all the businesses along Waukegan Rd. and Rte. 176, now in unincorporated territory, will be annexed to some bordering municipality, for specific annexation plans to accomplish this are now on the drafting boards of several Lake County city halls. At present a large majority of Illinois businesses are located in municipalities, and as a result, contribute to the quality of life in their cities. I consider this appropriate and not something to avoid or fear.

As a legislator who has had an excellent voting record in support of business for the past seven years, I resent the rhetoric emanating from those quarters which are determined to undermine my integrity and motives in this matter. And all because, in this one instance, I feel people's rights and dreams deserve to come ahead of corporate interests and concerns.

The Knollwood community has long deserved more consideration than it has received. For four years Senator Dave Barkhausen and I have been working to provide the help Knollwood citizens, our constituents, requested and need. Now, with the aid of an exaggerated map known by its circulators to be false, a flood of veto letters to the Governor from businesses and individuals far outside the true target incorporated area, and misstatements about the lack of a referendum, House Bill 344, and the cause of people's rights in Knollwood that it was meant to protect, are both in jeopardy.

## R.L.B. Couple Settles Suit With Candidate

An out-of-court settlement has been reached between Lake County Sheriff candidate Donald Mason and a Round Lake Beach couple who filed a small claims lawsuit in Lake County Circuit Court over a bounced check.

The Round Lake Beach couple, Gordon and Ellen Bauer, of 424 Bellevue St., Round Lake Beach, had charged that Mason did not have sufficient funds to pay a \$724 tax bill to the Illinois Dept. of Revenue.

They had been managing the This Way Inn tavern, at 201 S. Milwaukee Ave., Libertyville, in March of 1985, which was then owned by Mason.

The Bauers allege that their business agreement provided for Mason to pay the tax bill, but that his check was returned due to insufficient funds.

The Lake County Sheriff candidate contends there was a disagreement over the initial pact but that following the settlement, the bills "are all caught up."

Mason adds that he has sold the tavern,

since he believes that a sheriff should not be in the liquor business.

## Anderson, Lumber Expected To Run As Team In CLC Race

Five candidates have filed for three positions on the College of Lake County board of trustees in the Nov. 5 elections.

Aspirants include incumbents F. James Lumber, Richard Anderson, plus newcomers Melody Brown, Dorothy Harnish and Ron Coles.

The present order of the candidates on the ballot include Melody Brown, Richard Anderson and Jim Lumber.

A lottery will be conducted between Dorothy Harnish and Ron Coles to determine the fourth and fifth places on the ballot. A lottery became necessary when both Coles and Harnish filed shortly before the 5 p.m. deadline on Monday, Aug. 26.

Both Anderson and Lumber are expected to run as a team in the board elections. Coles, Brown and Harnish are fielding independent candidacies. Coles is the former Lake County

board chairman and ex-Lake Villa twp. supervisor. Presently, he manages Protection Unlimited, a mosquito abatement firm.

Coles is also a student at CLC. Melody Brown is a former CLC student who graduated this spring. Dorothy Harnish's husband, Frank, is a speech teacher at CLC.

The three winners will secure six-year terms on the college board. One incumbent, Eleanor Roström of Waukegan, did not file for re-election.

## Why electric heat pump owners have second thoughts when the weather gets cold.

For people who bought electric heat pumps, cold weather can be bad news indeed.

Because heat pumps lose capacity as the outside temperature drops. At some point, usually right around freezing, they need help from a backup heating system. Usually, it's electric resistance heating, so you end up heating your home with one of the costliest heating systems just when the weather gets really cold.

In contrast, gas furnaces and boilers have no trouble coping efficiently with severe winters. Whatever the outside temperature, the new high efficiency models can continue to squeeze up to 95% of the available heat out of every cubic foot of gas. So you're getting maximum efficiency to minimize heating costs in bitter cold weather.

Another argument for a gas furnace or boiler is the cost of natural gas itself. Today, it's the least expensive fuel available in this area, and current forecasts indicate it will continue to maintain a strong competitive advantage for years to come.

If you're thinking about adding to or replacing your home heating system, we strongly suggest you go with natural gas.

It's the only way to be sure you won't be having second thoughts when winter comes to Illinois.

## Sweet Adelines Present Old-Time Jazz

by KAREN WILTBERGER

A dark, empty room at Mundelein High School fill with life as the 40-member Chain O' Lakes Sweet Adelines Chorus harmonize barbershop style for a performance less than two weeks away.

The group of women from Lake and McHenry Counties sing the classic barbershop tunes, such as "April Fool," "Jazz Came up the River," "Changes Made-Who's Sorry Now?" and "Jazz Baby," which snatched the group third place in regional competition last year.

They rehearse the songs and scripts for their next show, "Where Jazz is Hot," directed by Jim Arns, to be performed at 8:07 p.m.

on Saturday, Sept. 14 at Mundelein High School.

The origin of barbershop singing is not forgotten, as the show will feature three barbershop quartets: Chicago Natural Gas, a male quartet, and Voices In A Chord and McHenry County Chord Company, composed of Sweet Adelines.

Barbershop harmony requires four voice parts: lead, tenor, baritone and bass. The organization's purpose is to bring together women who are interested in singing barbershop style and to have a good time.

When women join Sweet Adelines, Inc., they become part of an organization that originally began as one small group in Tulsa,

Okla. in 1945. Since then, the group has flourished into an international group of 35,000 members.

Members can be found in the United States, Republic of Panama, England, the Netherlands, Sweden and Japan.

Being a Sweet Adeline is a lot of fun, it's a chance to sing and meet women outside of your hometown, said member Julie Hazel, of Lake Villa, who joined two years ago. Hazel decided to join after 10 years of encouragement from her neighbor, Anna Mae Dziki, of Lake Villa, who has been a Sweet Adeline for 14 years.

"Now I wish I would have joined sooner," Hazel said, who has become publicity chairman for the group.

Besides Hazel and Dziki, other area residents involved in the Chain O' Lakes chapter include Helen Buschick, a 22-year member, the oldest member in the group, of Libertyville; Pam Fries of Mundelein;

Dorothy Hoehne, of Grayslake; Dorothy Juergens, of Antioch; Bonnie Korom, of Lake Villa and Judy Hofmeister, of Grayslake. Members also come from Waukegan, Lake Zurich and Wonder Lake.

Other area members are: Elsie Loffredo, of Ingleside; Mame McCormack, of Gurnee; Susan Neuls, of Round Lake Beach; Roberta Waters, of Island Lake and Dianne Pokorny, of Wauconda.

Along with other members from McHenry County, with whom the chorus consolidated with in 1982, the Chain O' Lakes Chapter are one of about 20 chapters in one of the strongest regions in the nation.

Competitions start at the regional level and go on to national and international levels. Next year, the group will compete in the regionals in Grand Rapids, Mich. If successful, they will move ahead the following year to the international competition in Hawaii.

### EYEWEAR, NO LONGER A NECESSITY?

EYE SURGERY WHICH TAKES PLACE WHILE THE PATIENT SNOOZES IN AN OUTPATIENT CENTER NOW OFFERS THE REALISTIC HOPE OF REMOVING EYEGLOSS DEPENDENCY FOR MANY WHO ARE UNCOMFORTABLE WITH CONTACT LENSES OR WHO SEEK FREEDOM FROM EYEWEAR FOR PERSONAL OR PROFESSIONAL REASONS.

THESE SURGICAL TECHNIQUES, FIRST USED IN THE U.S.S.R. AND IN COLUMBIA, CAUSE BETTER FOCUSING OF LIGHT WITHIN THE EYE BY RESHAPING THE CORNEAL WINDOW.

IN THE SOVIET TECHNIQUE (FYODOROV), CALLED RADIAL KERATOTOMY, HALF MILLIMETER-DEEP RADIAL CUTS GOING FROM THE PUPIL'S EDGE TOWARD THE WHITE PORTION ALLOW A NATURAL FLATTENING EFFECT ON THE CENTRAL CORNEA TO OCCUR.

REFINED IN THE U.S.S.R. SINCE 1973 AND IN THE UNITED STATES SINCE 1978, MORE THAN 100,000 KERATOTOMIES HAVE BEEN PERFORMED WORLD-WIDE.

SEVERAL U.S. STUDIES HAVE RECONFIRMED ITS SAFETY AND HIGH EFFECTIVENESS, THOUGH SOME RARE, SERIOUS COMPLICATIONS HAVE OCCURRED.

KERATOTOMY CORRECTS NEARSIGHTEDNESS AND ASTIGMATISM.

IN THE COLUMBIAN TECHNIQUE (BARRAQUER), THE SURGEON USES HIGH-TECH EQUIPMENT TO REMOVE A QUARTER-MILLIMETER-THICK CONTACT LENS-SHAPED WAFER FROM THE FRONT EYE WALL.

THIS PROCEDURE, WHICH HAS A 25 YEAR TRACT RECORD, CORRECTS FARSIGHTEDNESS AS WELL AS NEARSIGHTEDNESS BEYOND THE RANGE OF KERATOTOMY.

# Pet Parasites Can Be Health Problem

by CHARLENE WHITNEY

Did you know that parasites can be very serious health threats for your dog or cat? Young pups and kittens are most susceptible to illness from parasites.

I guess that most of us know about fleas. They can be a real problem for the pet and for our home. When a flea bites, the pet usually gets itching reactions. It is the adult flea that lives on the skin; the eggs fall off to

## Pet-Wise

hatch. If the flea finds itself in the house, you will need to treat the house, yard and animal.

Some animals are allergic to flea bites and will get severe irritations from an infestation. The fleas can also transmit tapeworms to dogs.

Check your pet for fleas or ticks everytime you groom him. The flea season is from early summer to the first frost, unless you live in the southern climates, where it lasts the en-

tire year. Tick season is from May through July, and year-round in southern climates.

You can bathe your pet with flea shampoo and it will remove the fleas that are on him, but it will not keep them off. A flea dip will be needed for that and should be done every two to three weeks. If your pet gets wet, the dip comes off. To treat your home, use a flea-bomb product twice during the flea season.

Ticks can usually be picked up in tall grasses or wooded areas. They spend some time on the animal for each stage of their life. Like the flea, the tick feeds on the blood of the animal. If you don't check your pet and take the tick right off, the tick will find it's way into your home and infest it.

Apply tick spray directly on the tick and after five minutes, remove it with your thumb and index finger or tweezers. Be sure and grab the tick as close to the head as possible and pull straight out with constant force. You should apply peroxide or alcohol to the spot where the tick was, to prevent infection. Again, dipping will help to keep your pet tick-free.

Heartworm means possible death to a dog. He gets them when an infected mosquito bites him. Then the worm grows and lives in the dog's heart until the dog dies. The veterinarian should check your pet each spring to make sure that your dog doesn't have heartworm. If your dog is clean, there

is preventive medicine for heartworm.

Roundworms are common in cats and dogs, and kittens and pups. They are also a risk to children. The adult worm is spaghetti-shaped and about five inches long.

Larval forms of the worms migrate throughout the young animal's body, causing many serious complications such as diarrhea, dehydration, pneumonia, vomiting, stunt growth, etc.

It is really best to let your veterinarian take care of your pet. Many people try to do it themselves, using off-the-shelf medicines, which are often improperly dosed. This causes the product to be ineffective. Often, people find this out far too late. Also, not all worming medicine is 100 percent effective.

Hookworms are small worms that attach themselves to the walls of the small intestine, robbing the bowels of blood. Puppies often get hookworms from their mother's

milk. An animal with hookworms may show signs by poor appetite and a black tarry stool that could sometimes be bloody.

Tapeworms are carried by fleas as well as other ways. When these worms mature, they feed from the bowels. Your pet might get an increase in appetite without any weight gain if he has tapeworms. Before treatment, your pet must be free of fleas or reinfection will occur.

Whipworms burrow into an animal's large intestine. Usually, a persistent diarrhea, along with vomiting, is caused by this parasite.

The best way to know that your pet is free of all these parasites is to have regular veterinarian check-ups. Bring in a sample of the stool so it can be tested for worms. Should your pet need treatment, ask your veterinarian to explain the do's and why's. Be wise and let your veterinarian decide what is best for your pet.

THE

# Consistency Could Be Name Of Antioch Game

by GLORIA DAVIS

Have the Sequot gridders got a size advantage this year?

According to Antioch Coach Steve Wapon, "Our best people are decent in size, not humungus but big enough."

Wapon adds that "It's not the size of the body but the size of the heart that counts and our first few games will determine just how much 'heart' the 1985 team has."

Wapon is hoping that that "heart" plus a lot of hard work will compensate for the team's relative inexperience since a lot of the veterans graduated last year.

Wapon seemed pleased with the team's performance in their debut at the full-dress scrimmage two weeks ago.

"The boys look like a sound team" he remarked.

He especially raved about the performance of Pat Bruks and was enthusiastic about the two-way playing of tackle Matt Humphreys.

He added that defensively, Tom Homan and Larry Rodgers were performing well.

Concerning junior quarterback Mark DoBosh, Wapon said, "He gets better and better, he did well in the scrimmage and operated the team strongly."

Wapon points out the Sequoits' weakness

by saying that the offense needs work on its consistency.

"We need to polish our ability to run play after play successfully with little or no errors."

He added that the Sequoits would also be working on getting the kinks out of their long drives.

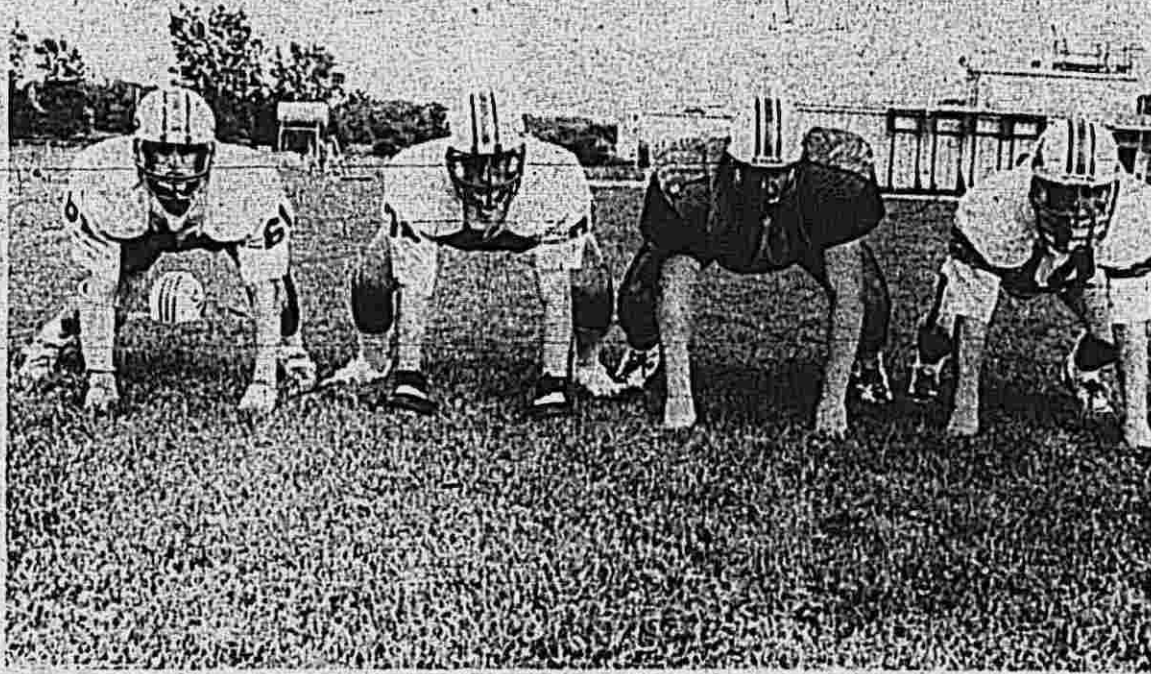

The defense will spend many practices correcting the easily slipped into errors in position that can give up scores too easily.

As Wapon looks at his upcoming schedule and notes the strong teams that Antioch is set to come up against during the 1985 football season, he nominated Stevenson as possibly being the toughest opponent the Sequoits are due to face.

"They've got an outstanding quarterback and two tackles weighing in the area of 270 pounds ready to pounce," he said.

## Class 3A Champion

Anna-Jonesboro High School won the 1984 Class 3A Championship Title, with 12 wins and one loss; three cheers for Coach Milton Jung. Ottawa High School earned the runnerup title, with 11 wins and 2 losses; their coach was Jeff Johnson. The final score was 11-2.

## Class 1A Champion

Routt High School in Jacksonville won the 1984 Class 1A Championship with 13 wins and zero losses. Let's hear it for Coach Michael Brooke. The runnerup was

Hancock Central in Carthage, with Ken Miller's team scoring 12 wins and one loss. The final score was 20-0.

# Skyhawk Talent Evenly Spread, No Weak Spots

by KAREN WILTBERGER

Improvement on Johnsborg's fifth place finish last year 4-5 will be difficult. Injuries within 15 minutes of each other during their first scrimmage left two starters out for the season.

Senior 6'0, 198-pound tight end and defensive end Bill Brown and junior 5'11, 165-pound running back and defensive back John Shiman suffered serious knee injuries.

The skyhawks will field a team of 19 seniors and 18 juniors (up from a sophomore team that finished 7-1-1 last season) with only one player over 200 pounds. "We're not big, but we're not real small either," said head coach Mike Roberts.

The first couple weeks will be critical in Robert's opinion.

"If we can get some early wins, the juniors will mature very quickly."

Lost from last year are all-conference quarterback Mark DeReui, strong safety and tight end Mark Demelle and center Tom Kinney.

There will be no superstars this year for the skyhawks but Roberts is confident he can put 11 good football players on the field with no weak spots.

Starting on offense will be junior quarterback Frank Husak (5'11, 161 pounds), senior wide receiver Pete Switzer (5'10, 161 pounds), senior tight end Brian Hauck (5'9, 161 pounds), senior running back Dan Stefka (5'11, 187 pounds), senior running back John Kegel (5'8, 156 pounds).

Senior guard Rick Easterling (6'1, 193 pounds), junior tackle Mark Adams (6'1, 182 pounds), senior guard Don Thennes (6'0, 185 pounds), senior center Bob McCauley (6'1, 175 pounds), junior tackle Emil Marunde (5'10, 210 pounds), senior tight end Ken Froehlig (5'9, 268 pounds).

Starting on defense will be senior defensive back Pete Switzer (5'10, 151 pounds), senior defensive back Brian

Hauck (5'9, 161 pounds), senior defensive back Dave Heumann (5'8, 155 pounds), junior defensive end Pete Pagast (5'11, 161 pounds), senior linebacker Dan Stefka (5'11, 187 pounds).

Junior linebacker Charlie Giovanni (6'0, 162 pounds), junior defensive back Jeff Heumann (5'6, 134 pounds), senior defensive lineman Pat Bjerning (6'0, 196 pounds), senior defensive lineman Rick Easterling (6'1, 193 pounds), junior defensive lineman John Drogosz (6'0, 185 pounds), senior defensive lineman Bob McCauley (6'1, 175 pounds).

Other players expected to see a lot of action are senior Larry Gibson (5'11, 161 pounds), junior Chris Bonus (5'5, 150 pounds), senior Mike Siudak (5'8, 154 pounds), junior Ed Schultz (5'8, 138 pounds), senior Ed Klein (5'9, 131 pounds).

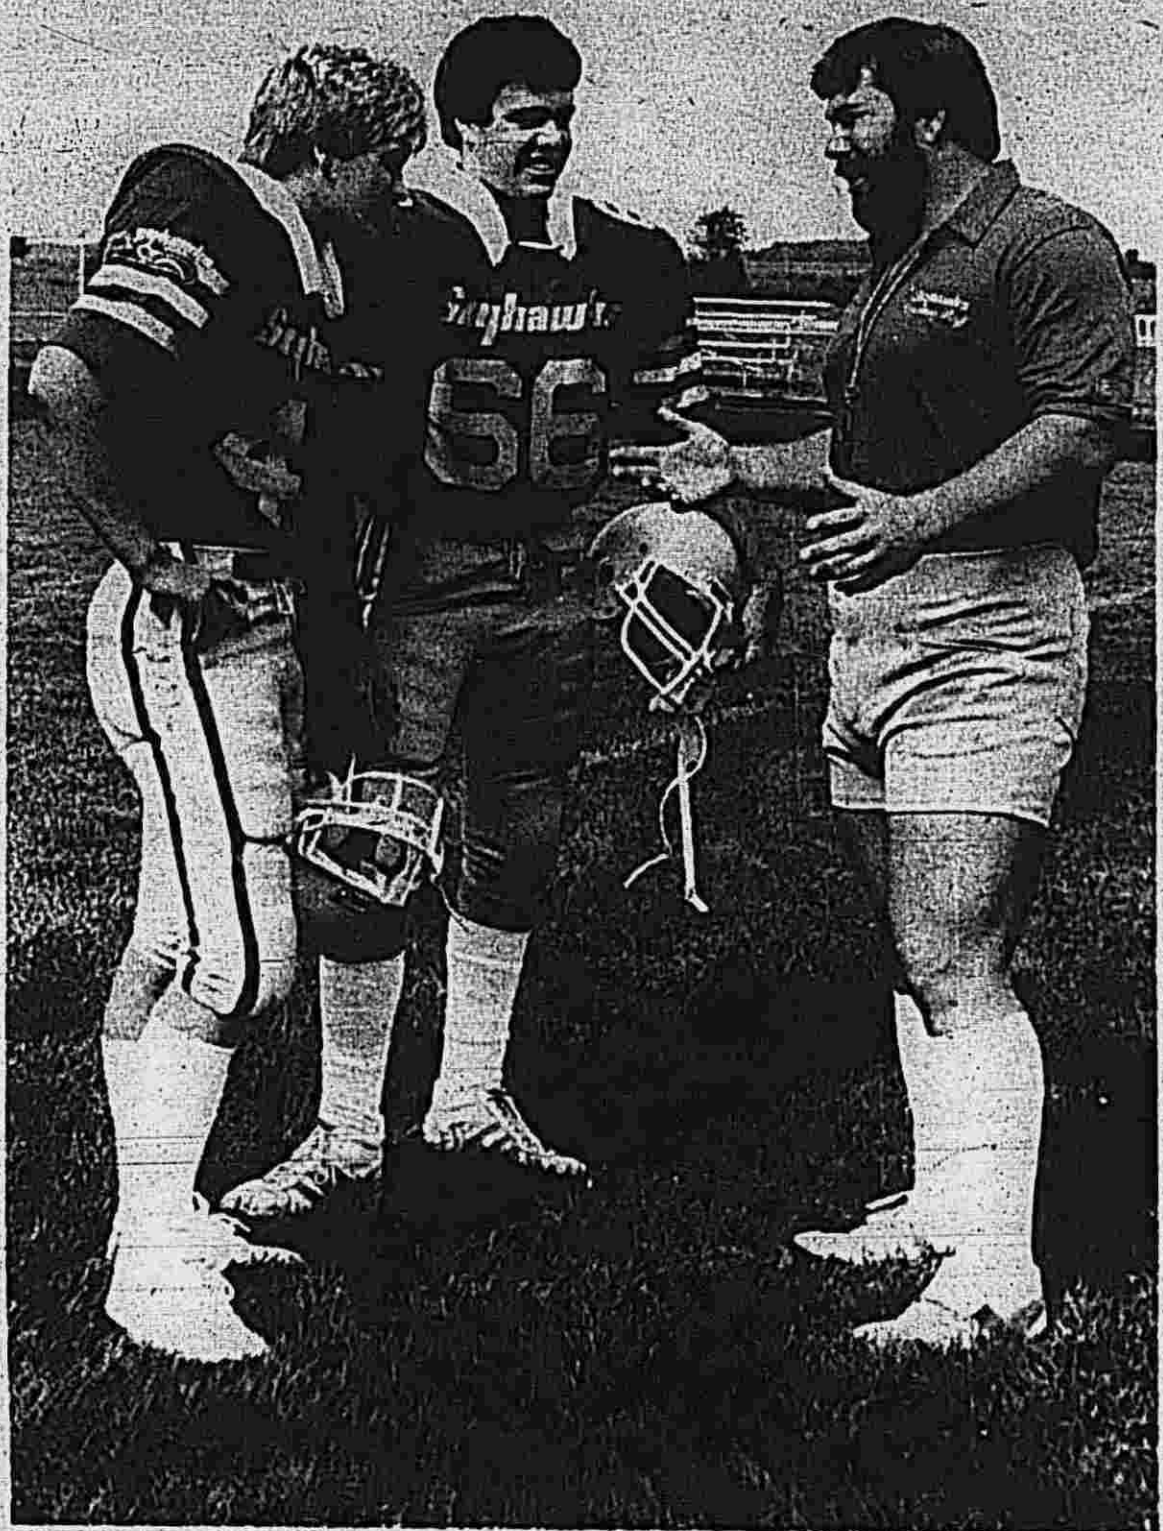

Junior Paul Polep (5'9, 130 pounds), senior Bob McKay (6'0, 150 pounds), junior Joe Dvorak (5'4, 149 pounds), junior Dave Kuberski (5'11, 163 pounds), junior Jim Walker (5'5, 139 pounds), senior Dennis Leary (6'0, 168 pounds), junior Buddy Parsons (5'10, 172 pounds).

Junior Dave Savino (5'8, 182 pounds), junior Brian Frazier (6'0, 149 pounds), senior Bryan Anderson (6'3, 197 pounds), senior Chris Carlson (5'6, 145 pounds), junior Paul Owen (6'1, 170 pounds), junior Rich Palmer (5'7, 135 pounds).

Grant, Lake Zurich and Marian Central will be the teams to watch this year, according to Roberts.

# Grant Bulldogs Out For A Conference Win

by KAREN WILTBERGER

Big things are expected this year for the Grant Bulldogs, with a 32-player squad led by 15 seniors back from a team that finished third in the conference with a 5-2 record.

Sixteen juniors and one sophomore are up from a sophomore team that tied for first place in last year's conference.

Lost from last year are linebacker Greg Presler and tailback Dave Rowder, who scored 18 touchdowns last season.

Head coach Mike Rogowski rates the seniors as strong with the juniors filling skilled positions. Rogowski said "only one or two players will be going both ways this year."

Everyone will have a role this year unlike last season when five or six players

led the Bulldogs to their surprising finish.

According to Rogowski, leading the offense will be 6'0, 185-pound senior tight end Joe Pokrwka; 6'0, 230-pound senior tackle Dave Gort; and 6'0, 170-pound junior Marc Borton. Ball control will be featured this year in sharp contrast from the wide open passing attack of last year's team.

On defense 5'10, 185-pound senior nose tackle Dan Robinson; 5'10, 175-pound senior defensive end Kerry Hagen; 5'11, 206-pound senior defensive end Jim Wanhala will lead the blitz-oriented Bulldog attack.

"We're the team to beat," said Rogowski, who will be looking over his shoulder at Lake Zurich and Marengo in quest for a conference championship.

Starting on offense will be captain senior

center Dirk Bengston (5'11, 185 pounds), senior quick guard Rick Ruth (5'9, 180 pounds), junior strong guard Brad Frystak (5'10, 196 pounds), senior quick tackle Dave Gort (6'0, 230 pounds), junior strong tackle Randy Rous (6'0, 185 pounds).

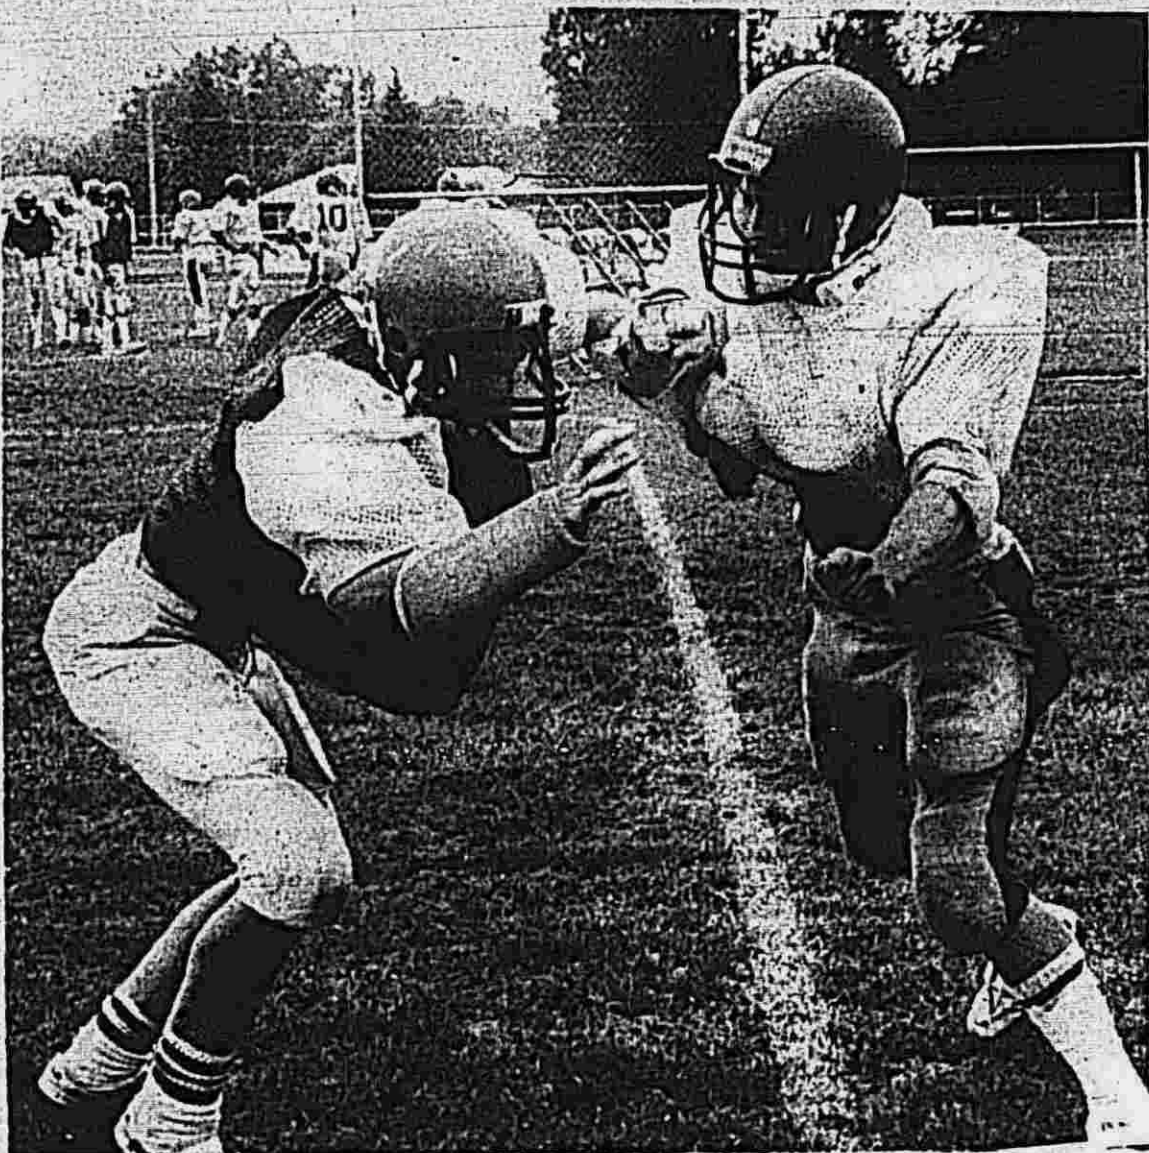

Senior tight end Joe Pokrwka (6'0, 185 pounds), junior quarterback Mark Borton (6'0, 170 pounds), senior fullback Brian Catalano (5'9, 165 pounds), senior tailback Keith Paisley (5'10, 170 pounds), junior flanker Phil Winfrey (5'8, 140 pounds), sophomore wide out Kevin Frystak (5'8, 160 pounds).

Starting on defense will be senior nose tackle Dan Robinson (5'10, 185 pounds), senior defensive tackle Rob Wilson (5'11, 185 pounds), senior defensive tackle Jim Soksnowski (6'0, 185 pounds), senior

linebacker Joe Pokrwka (6'0, 185 pounds), junior linebacker Brad Frystak (5'10, 196 pounds), senior defensive end Jim Wanhala (5'11, 206 pounds).

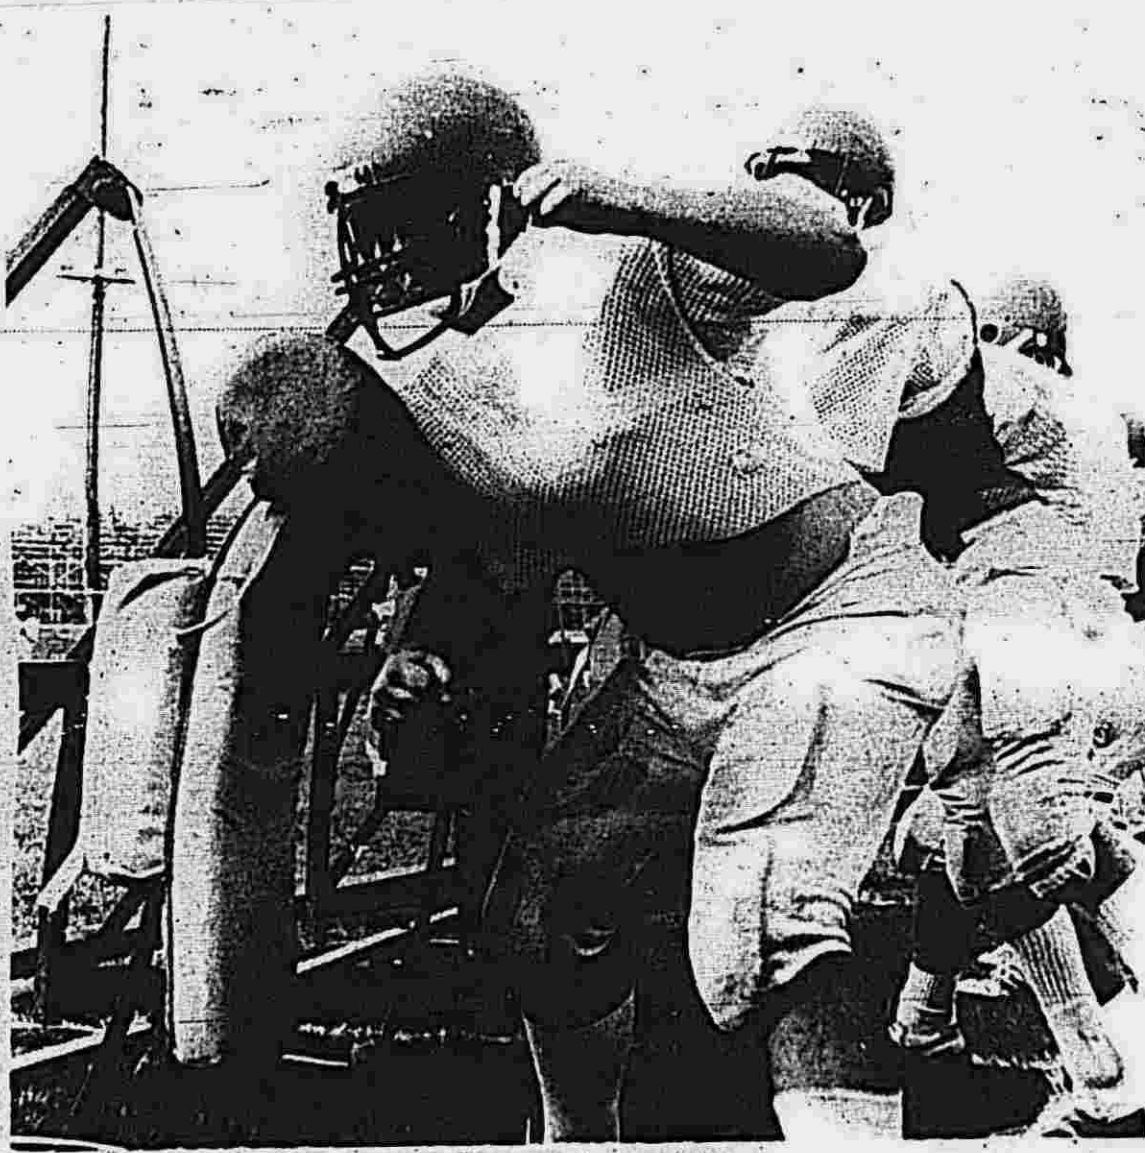

Senior defensive end Kerry Hagen (5'10, 175 pounds), junior stinger Mike Kazlauskis (5'9, 170 pounds), junior bulldog Gary Glauser (6'2, 200 pounds), senior superman Zack Chandler (5'10, 175 pounds), senior weasel Mark Malloy (5'9, 170 pounds).

Other players expected to see a lot of action are senior Joel Fischer, junior Mitch Myers, senior Brian Jallin, junior Frank Geu, junior Mark Timm, junior Tyler Hamm, junior Bryan Johnson, junior Bob Siebert, junior Kevin Psomas, junior Kevin Clavey, junior Mike McDonald, junior Mark Gallimore.

# Rams Begin Season Without Full Team

by DEBBIE HORVE

The Grayslake Community High School Rams began its football season with only 18 of the 28 players able to begin the season due to a state practice rule.

"The rule says that a player must participate in at least 14 practices before playing in a game. 'We've had some players on vacation and they didn't make enough practices by the first game,' Coach Tom Wittum said.

Wittum plans to use a wide open format offensively. "We plan to vary our offensive formats quite often in order to keep the opposition guessing a lot on defense," Wittum said.

Defensively, Wittum plans to mix up fronts, adding more as the season goes on.

This year the team is made up of 17 seniors, many of whom have not played football. "We are a little short on experience but I feel we have a good team," Wittum said.

Wittum comments that the team has worked well together in practices. "But with a team made up of a lot of seniors without experience there's no telling what will happen," Wittum said.

Wittum feels that Lake Zurich and Grant will be tough teams in the conference this year. "They will be the teams to make a run for the championship. They're the teams to beat," Wittum said.

"As long as we can keep everyone healthy we could have a winning season," Wittum added.

The Rams have two returning all-conference players this year; Tom Castino, who is a defensive back and a

running back, and John Lui, who is a wide receiver and a defensive back.

The team has seven returning lettermen: Tom Castino, Kevin Olson, Don Lloyd, George Shaw, Eric Leafblad, Jeff West and John Lui.

The rest of the team is made up of Bill Sangbush, Mike Langer, Vince Walsh, John Tossi, John Kavanaugh, Shawn Walkington, Russ Rockenbach, Jim Gordon, Don Obenauf, Joe Gritmacker, Russ Hendricks, Scott Zerba, Jim Eldrige, John Poprowski, Scott Worthley, Jim Moore, Dave Menges, Daryl Mackenthon, Dave Kuzma and Keith Brandt.

# Warren Working To Overcome Inexperience

by DEBBIE HORVE

Warren Twp. High School Blue Devil Varsity Football coach, Reggie Hughes, plans to overcome inexperience while making progress with a young team this year. "We want to build for the future," Hughes said.

The team began the season with 35 players, 14 of whom are seniors. Hughes comments that many of the seniors have not had experience playing. "We had a very senior orientated team last year, many of the players have left. This year's seniors are playing without experience," Hughes added.

Hughes lost six of last year's senior. "Each of these players have gone on to college ball. We lost a lot of good ex-

perience," Hughes said.

This year, Hughes sees three seniors who have put extra work and energy into the off-season work, Hughes added. These are lineman John Carnick, fullback Jim Burke and defensive end Rick Kenyon.

"These three have worked hard. They've been weightlifting since January and attended a summer camp. These are the guys I'll be looking to for team leadership," Hughes said.

Hughes expects the conference to be a tough one this year with Libertyville, Zion and Antioch giving stiff competition. "We'll call this a year to make some great games," Hughes said.

Offensively, Hughes plans to stick to a running game. "We don't have the type of

skill necessary for a great passing game," Hughes said. "We don't have a highly skilled quarterback," Hughes added.

Hughes sees tight end Matt Ditka as an asset to the team. "He has the hands of a receiver and the ability to understand defense," Hughes said.

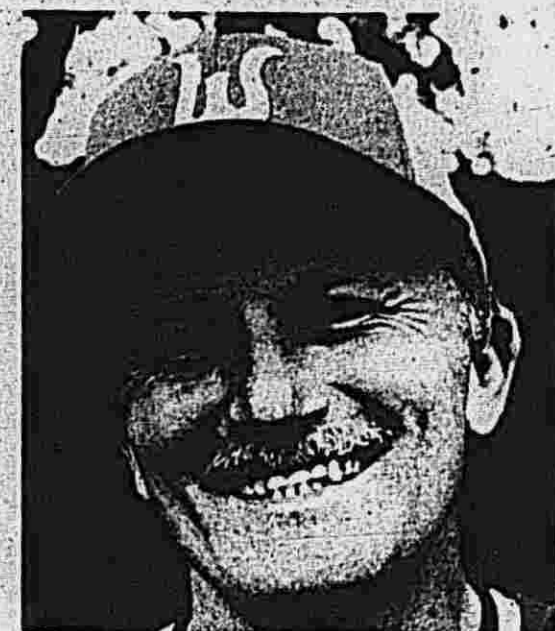

Two other players that stand out on the team are tailbacks Pekeda Bennett and Mike Jones, according to Hughes. "Either one of these players could do a great job for us," he commented.

This year there are only two lettermen returning to the team, offensive guard John Carnick and fullback Jim Burke.

"They're a hard working group of kids and if we mature as a team early enough in the season we'll do a good job," Hughes said.

The team players are: Dave Sebastian, Darrell Iwema, Tom Thompson, Sam Diamantopoulos, Mark Cobb, Paul Garraughty, Vic Matigian, Brad Indlecoffer, Howard Liskey, Jime Burke, Mike Jones, Pekeda Bennet, Brian Lachman, Mike Wagner, Mike Rivera, Derek Londo, Tim Hansen, Chirs Manley, John Dollenmaier, John Lookabaugh, Paul

Plasienski, Rich Morrow, John Carnick, Randy Bork, Jeff Ross, Bob Anderson, Ted Dofelmire, Jim Vandervere, Brian Snell, Mark Kaminsky, Chuck Blythe, Dan Garner, Rick Kenyon, Brian Jarrell, Jim Rung and Matt Ditka.

Reggie Hughes

## Warren Chooses Cheerleaders

The Warren Twp. Blue Devils have chosen this year's football cheerleading squads.

The 1985-86 varsity cheerleading squad is made up of: Captain Jennifer Centella, Co-captain Theresa March, Gina Elsbury, Diane Johnson, Pam Jones, Karen Katt-

ner, Charlotte McEvilla, Liz Pacheco, Dee Dee Schultz and Regina Smith.

The 1985-86 sophomore cheerleading squad consists of: Jody Del Conte, Julie Hedberg, Patty Johnson, Kelly Murtha, Heather Tepper and Susie Wachowiak.

## Warren's Hughes Not To Mess With Success

by DANG O'SHEA

Reggie Hughes, Warren Twp. High School's new varsity football coach, has decided not to mess with success.

Hughes' football philosophy is to go where the talent lies, which means he will stick with a running game for this season. "If running is where our talent is, we'll go with it," commented Hughes.

The Aurora East High School graduate replaced 14-year head coach Mike Kunkle, who voluntarily stepped down after a very successful 105-27 record with the Blue Devils. Kunkle remains at Warren as athletic director.

Hughes, 40, graduated from Northern Illinois University at DeKalb in 1972. He had football and track scholarships at NIU and played each sport for two years before being injured his sophomore year. He was in the military service before that and is a Vietnam Veteran.

Hughes is in his 14th season as a high school football coach, all at the Gurnee school. He became an assistant to Kunkle on the varsity level in 1975 and became offensive coordinator about five years ago.

Hughes said he is excited about this new position and said he just hopes to maintain Warren's great program. Warren has been in the Illinois High School Assn. playoffs five times.

Despite the fire last December that destroyed most of Warren High School, Hughes and the Blue Devils have been holding practice and will play all of their home games at Warren.

### Dates To Remember

For all interested football enthusiasts, mark the following big events on your football schedule: Oct. 26 - Pairings Drawn in IHSA Office; Oct. 30 - First Round Games starting between 1:30 and 7:30 p.m. (All Classes). Note: Host school sets starting time, but if team must travel 200 miles or more, the game cannot begin after 6:30 p.m.; Nov. 2 - Preliminary Round Games at 1 p.m. (All Classes); Nov. 9 - Quarterfinal Round Games starting at 1 p.m. (All Classes); Nov. 16 - Semifinal Round Games starting at 1 p.m. (All Classes).

### Big Expectations

Warren High School's first year head coach Reggie Hughes is looking for big things from seniors Jim Burke (32), John Carnick (60) and Rick Kenyon (83) this year. The Blue Devils opened their season up with a 27-0 victory over the North Chicago Warhawks. —Photo by Craig Vogel.

# Panthers Shooting For NWSC Respectability

by MIKE PRAMSHAFFER

"I expect the Round Lake Panthers to be in the running for the Northwest Suburban Conference championship this year."

This was the reply given by Round Lake head coach Mike Dunn after being asked how he thinks his squad will do this year in conference play.

Dunn feels the early season favorites for the Northwest Suburban crown are Grant, Lake Zurich and Marian Central, but he believes his Panthers have the ability to be up there with the rest of them.

"Last year, the Northwest Suburban Conference was the strongest it has ever been since Antioch and Warren left for the North Suburban Conference. This year, I think the caliber of play will be down a little bit. Things have evened up, and it won't be a two or three team race like it has been in the past," Dunn said.

"Us and Johnsburg could be the darkhorses of the conference," he added.

The Panthers finished last season with a 2-7 overall record, 1-6 in conference play.

They have 19 returning letterman this year and Dunn believes the leadership is there for a better season.

Offensively, Dunn feels the key for the Panthers is to establish an offensive line, and that they did.

Seniors Gary Jeffreys (6-1, 190, guard) and Curt Boykin (6-0, 220, tackle), along with junior Mikel Fox (6-0, 220, tackle) will head that established offensive line. Senior Mike Obrachta and junior Pat Molitor will be alternating in the other guard position.

The center will be Jim Ridlen (6-0, 170). "Jim is an excellent ball player. He also plays defense for us at the outside linebacker position," Dunn said.

In the backfield, Dunn believes that he has one of the best runners in the conference this year in Troy Haines.

Haines (6-0, 185) gained 456 yards last year in shortened season due to injuries.

"Our entire offense will be built around Haines. He is a great athlete. We have to have Troy in order to win," Dunn said.

Haines also plays strong safety on defense.

Chuck Banker and Rock Olson will be battling it out for the starting fullback position, while Jim DeLeon and Bobby Porteous will be playing slot back.

Sophomore Joe Belcher (6-3, 205) will be the starting tight end for the Panthers, with senior Craig Spielman backing him up.

Three men have been battling it out for the starting quarterback spot. Senior Jeff Arthur, junior Walter Tesch and sophomore Todd Collis are all excellent athletes, according to Dunn.

Arthur started at the quarterback position last year for the Panthers.

Split ends for Round Lake will be Art Bragg and Dave Kaemph. Kaemph will also be doing the kicking for the Panthers, according to Dunn.

"Dave is a supreme kicker. He will be one of the keys to our success this season," Dunn said.

Defensively, the Panthers will have juniors Pat Bruening and Tito Hernandez playing defensive guards, while seniors Vincent Hernandez and Rodney Yanez will be the defensive tackles.

The linebacking crew consists of Bragg, Ridlen, Fox and swing-man Todd Kraley. Tesch and Porteous will be the cornerbacks, while Collis and Haines will be the free safety and strong safety respectively.

Dunn also said that he is looking forward to see Scott Center (6-3, 285) play. He said Center plays both, offense (tackle) and defense (guard).

"Scott is a hard worker with great potential. He's only a junior," Dunn said.

Overall, Dunn is looking forward to an exciting year of football.

"Our team has a very unique, family spirit, which I think is important. The kids believe in our football program here at Round Lake and they want to make our community proud of them," he said.

### New Coach

The North Chicago Warhawks have a new coach this year in Bob Brothman. Brothman was an assistant last season with the Warhawks under Amos Jones. This year's squad only has 29 kids out but Brothman is prepared for an exciting season. Here, the new coach goes over some strategy for the 1985-86 campaign. —Photos by Jody Lewand.

### Class 4A Champion

The 1984 Class 4A Championship title went to Morris High School; Coach Dan Darlington's team won 13 games, with no losses. Benet High School in Lisle took the runnerup title, with 10 wins and 3 losses. Their coach was Tim Cedarblad. The final score was 10-3.

### Class 5A Champion

Richwoods High School in Peoria won the 1984 Class 5A title with 13 wins and no losses. The winning coach was Tom Peeler. Deerfield High School won the runnerup title with 11 wins and 3 losses; their coach was Paul Adams. The final score was 11-3.

# Experienced Backfield Hopes To Carry Hawks

by MIKE PRAMSHAFFER

An experienced offensive backfield is going to be the key for the North Chicago Warhawk varsity football team this year.

The Warhawks have three men in their offensive backfield that are playing their third year of varsity football.

Seniors Elmer Smith (quarterback), Michael Wright (running back) and Victor Earl (flanker back) will be the experienced leaders of the Warhawk offense this year.

The Warhawks virtually have nothing to lose this year, being that they were 1-8 last season.

First year head coach Bob Brothman believes his squad has the capabilities of beating anyone in the North Suburban Conference this year.

"We have the type of team that can beat anyone on any given day, if we stay healthy," Brothman said.

"The only goal that we have is to win more games than we did last year. Of course, we'd like to win the conference but our primary goal is to do better than we did last year," he added.

Offensively, Brothman said the Warhawks will have a strong running game. "We've got the ability to have a

strong running game but we're also going to put the ball in the air. We don't want our offense to be too predictable," Brothman said.

"We have three decent linemen offensively, along with an experienced backfield. So I don't think we'll have too many problems putting points on the board," he said.

The offensive line is anchored by Otis Linder, along with Wayne Robinson and Norris Randolph. Brothman will also be looking for some support from fullback Corey Franklin.

Defense seems to be the big question

mark for the Warhawks this year.

"We're using a new type of defense this year that most of the kids aren't used to. We look pretty good in practice but who knows what'll happen in the game," Brothman said.

The only game the Warhawks won last year was over the Zion-Benton ZeeBees.

One thing not in the Warhawks' favor is the fact that only 29 kids tried out for the varsity team this year.

"I'm a little disappointed about the number of kids that turned out. I was expecting somewhere in the 30's, not 20's," Brothman said.

# Mustangs To Offset Little Depth With Quality

by DONNA DUNCAN

Mundelein's aggressive group of hard hitting varsity football players will make up for its lack of size, Head Coach Gary Heifner said.

With an average size of 5'10, 160.2 pounds, the team is the lightest that Heifner has worked with.

However, luckily, the strength of the team will come out in other areas of talent, beginning with the quarterbacks. "The quarterback situation is better than I thought," he said. Mike Lech and Jim Frank will be the favored quarterbacks.

The tackling and defense also have been executing well in practice, he added.

The biggest disadvantage this year, though, is the fact that approximately 12 students in this class had transferred out of the district to other schools throughout the country.

"It really hurts — many (of those transfers) would have been in starting capacity," Heifner said.

The nine returning lettermen have played last year, giving the Mustangs more of an edge in its experience. Those returning are: Jeff Davis, John Carr, Bob Peters, Jim Zaucha, Tony Sidari, captain; Brad Wager, captain; Mike Weber and Steve Pape, all seniors. Also returning is Jeff Geary, junior.

"The eight who played last year are all quality athletes and football players," Heifner said.

About half the team had lifted weights and participated in the summer program, making them more prepared for the season. However, Heifner said he was discouraged that many varsity players chose not to be in the six-week program.

Because of the lack of depth, Heifner said he needs top performance from all eight seniors. "With our lack of depth, we cannot play an average game and expect to win," he said.

In contrast to last year, Mundelein's offense will be reduced to a level of using half the number of plays but with more repetition, equaling better execution, Heifner said.

"We don't sell our kids that they need to pass or run to win. We take what's open."

In the defense department, Heifner expresses confidence in the Mustangs expanded technique, using more variations or multiple fronts. "We feel now, if the opponent doesn't prepare (for our defense) they could be in for a long afternoon," Heifner said.

Besides a physical size disadvantage,

Mundelein also "the little guy" when it comes to playing in a 6A conference when their only a 4A school.

"Everytime we walk on the field, we'll be considered the underdog but we have nothing to lose, just everything to gain."

Going by the philosophy, "winning isn't everything," Heifner said he does not overemphasize winning but rather, the love of the game and playing to ones best ability.

"I coach because I have fun doing it." This is Heifner's 20th year as a football coach; his ninth year as head coach at Mundelein.

Looking at the opponents, Heifner said he anticipates a difficult game from Stevenson, with their large numbers; Zion-Benton, with their runningbacks; Libertyville, with their senior talent and Antioch, with numbers and well-coached team.

Overall, Heifner expects the whole conference to be competitive. "In the North Suburban Conference, anyone can win on a Saturday. It's a league with a lot of speed. Upsets happen often in this league."

Describing two starting quarterbacks Mike Lech and Jim Frank, Heifner said both are very close in abilities in that they understand the game, throw an accurate forward pass and have strong knowledge of offense.

Returning junior Jeff Geary is credited by Heifner to be an "excellent defensive back, who will draw the opponent's best receiver." Geary will also be looked to as a pass catcher and runner.

Starting right linebacker and tailback John Carr and left linebacker and fullback Bob Peters will be expected to play both sides of the ball well. Peters is also credited by the coach as an aggressive tackler.

An interesting athlete on the team is Steve Pape, who is one of the top wrestlers in the area. "Pape has excellent balance and strength and is a tough player in the conference," Heifner said.

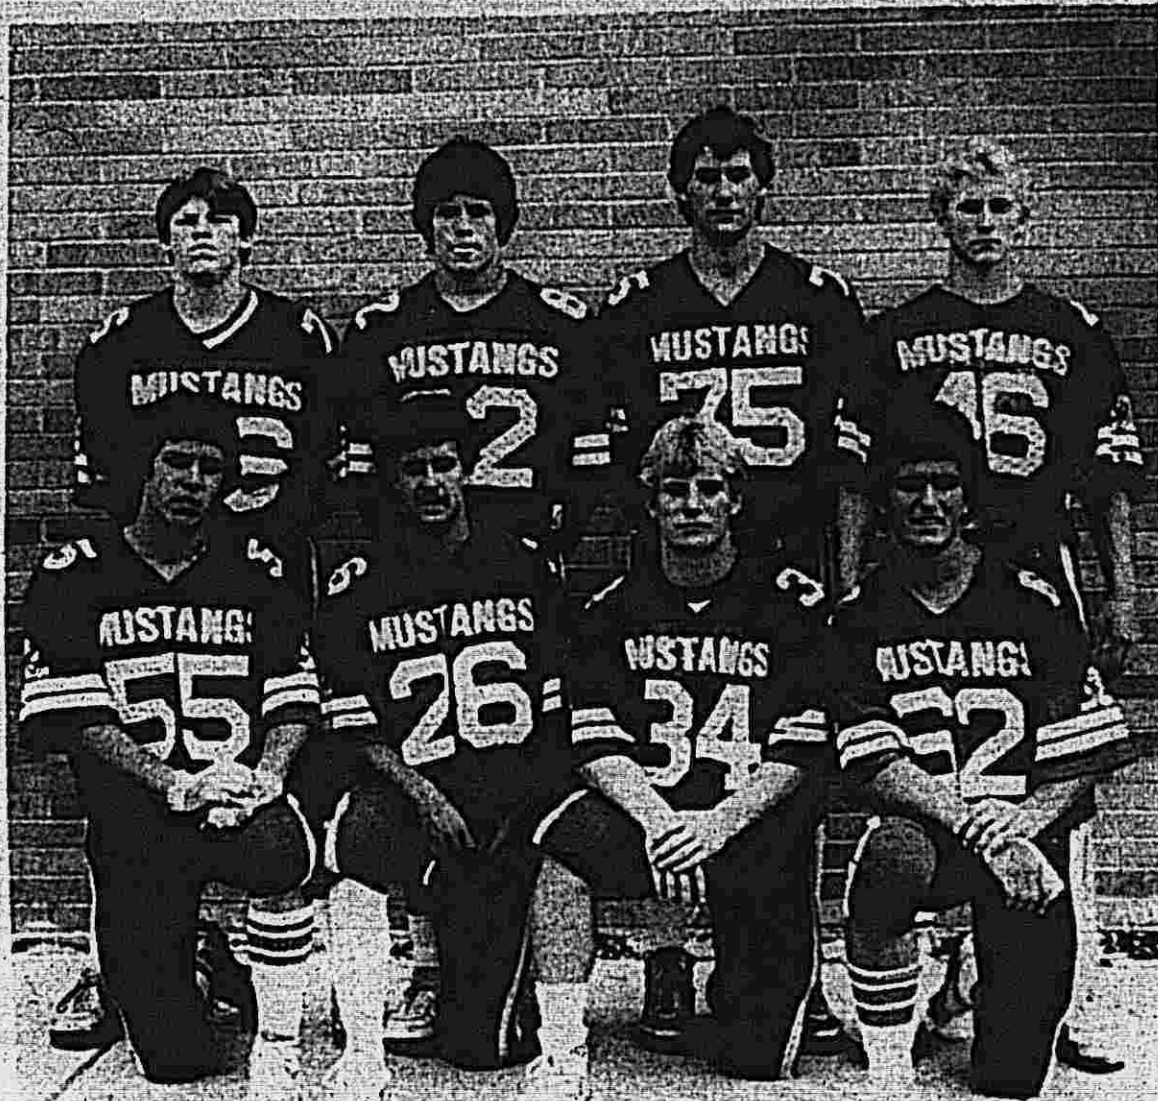

The biggest player on the team is 6'4 Brad Wagner, team captain, who had lifted consistently this season. He weighs in at 212 pounds. Also, Tony Sidari is another player who has increased in strength.

Starting center Jim Zaucha is credited by Heifner as a player who "snaps well and blocks well."

Two players who started as guards last year are now moved to right tackles to counterbalance the opponent's tackle.

Jeff Davis will see action in the secondary and new senior, Tom Bateman was a strong defensive starter in camp.

# Seniors In Key Spots To Be Wauconda's Strength

by DONNA DUNCAN

Being a small school with small numbers in varsity sports is hard to compete against other larger teams in the conference but the Wauconda Bulldogs are ready for the challenge with 13 returning senior lettermen who will play in key spots.

"They're hard workers," Loffredo said, describing the whole team. He said he is pleased that one of the team's strengths is having senior lettermen in key spots—either as defensive backs or left-backs.

Seniors who will lead the team into

action are Mike Payne, quarterback and Norm Niemo, halfback.

Other returning seniors are: Doug Kirk, Brian Kyst, Rich Machon, Scott Matula, Paul Nibbio, Brian Renz, Gregg Stade, Skip Stewart, Ray Terrian, Jerry VanDyke and Tim Webb.

Wauconda does not have many offensive returning seniors but will look to three strong juniors including Todd Marlowe, guard and center; Danny Torres, tackle and Robert Hefke, halfback.

Defensively, the Bulldogs will use the 5-2 and 6-1 technique.

Offensively, the team will concentrate

on multiple offense.

The conference poses a strong challenge for the Bulldogs as some strong teams will test their strength. Teams Loffredo will watch for include Marion Central, Lake Zurich, Grant. But the Bulldogs may have a good match with Round Lake and Grayslake.

Numbers in Wauconda football is a problem because freshmen sports was cut for two years but was reinstated this school year. "It'll take us a couple years to recover (from that)," Loffredo said. Wauconda is a dozen sophomores less this year.

"We hope to overcome our difficulties with a positive attitude and we would like to get skilled in positions and get in better shape," Loffredo said.

Players who were scheduled to open the first game against Cary-Grove were: Mike Payne, Norm Niemo, Bob Burdick, Rich Machon, Doug Kirk, Jerry VanDyke, Brian Kyst, Ray Terrian and Paul Nibbio.

This is Loffredo's second time back as head coach, replacing Len Siatta. Loffredo was the head coach from 1970-1977. Prior to that, he was a coach at Grant High School.

Last year, Wauconda finished 1-8 in the conference.

## Class 2A Champion

Amboy High School was the 1984 Class 2A Champion with 13 wins and zero losses. The champs' coach was Don Wyzgowski.

The runnerup for the title was Clint Forsyth's team at Paxton High School, with 11 wins and 2 losses. The final score was 16-7.

"Build" A Great Team Wauconda Bulldogs

# Carmel To Show Quick, Aggressive Football

by DONNA DUNCAN

Carmel plans a more aggressive season this year with seasoned players and some unexpected talent.

The Corsairs began the season with a good start, as players were in good physical shape, going into the first game with less hesitancy and more aggressiveness.

This was achieved because many players have developed proper habits as they have grown up through the football system. And Head Coach Jim Rejc is pleased to see this. "They know, rather than think," he said.

Planning out the strategies for the year, Rejc said offensively, the team will run a basic game plan which could be 50 or 60 percent each for throwing and running, depending on the game. "We have people who can do that," he said.

Faced with a size disadvantage, the Corsairs will practice running the ball and going in to throw the ball to save the linemen to play defense.

Strategy for defense will be some 5-2 with variations. Rejc is stressing hard defensive work to play man-to-man pass defense. Part of Carmel's strength will be in the defensive back field.

With quick players, Rejc said the team doesn't mind running the ball. "We feel we can go in and throw the ball to save our linemen to play defense as much as possible," he said.

The conference this year seems to be more balanced, as well as tough, Rejc said. Two opponents who will be a difficult match for the Corsairs are Joliet Catholic and St. Viators. "I find those two up there again as well as Marist and St. Pat's," the coach said.

Last year, Carmel finished fifth in the conference with a 2-5 record. "On any given week, anything can happen," Rejc said, adding, "whose going to be the best depends on odds and ends."

This year's roster includes 16 returning lettermen. Three returning starters who will see a lot of playing time are Craig Staehle, center; John Terlap, quarterback and Rod Whittier, half back.

Someone who came back to be what Rejc calls a pleasant surprise, is sophomore Mike Reitz, who has improved over the summer. "He has shown he can block real well. He's a great lineman," Reitz weighs in at 230 pounds, one of the team's heaviest.

Also unexpected, was the progress of senior Ashley Boeckholt. "He grew a lot over the winter. He's a fine blocker and receiver," Boeckholt will also be punting this season. He stands at 6'3, 190 pounds.

Rejc plans to have the team become more aggressive than in the past two years by stopping the runner more. Stunting and blitzing will also be carried out.

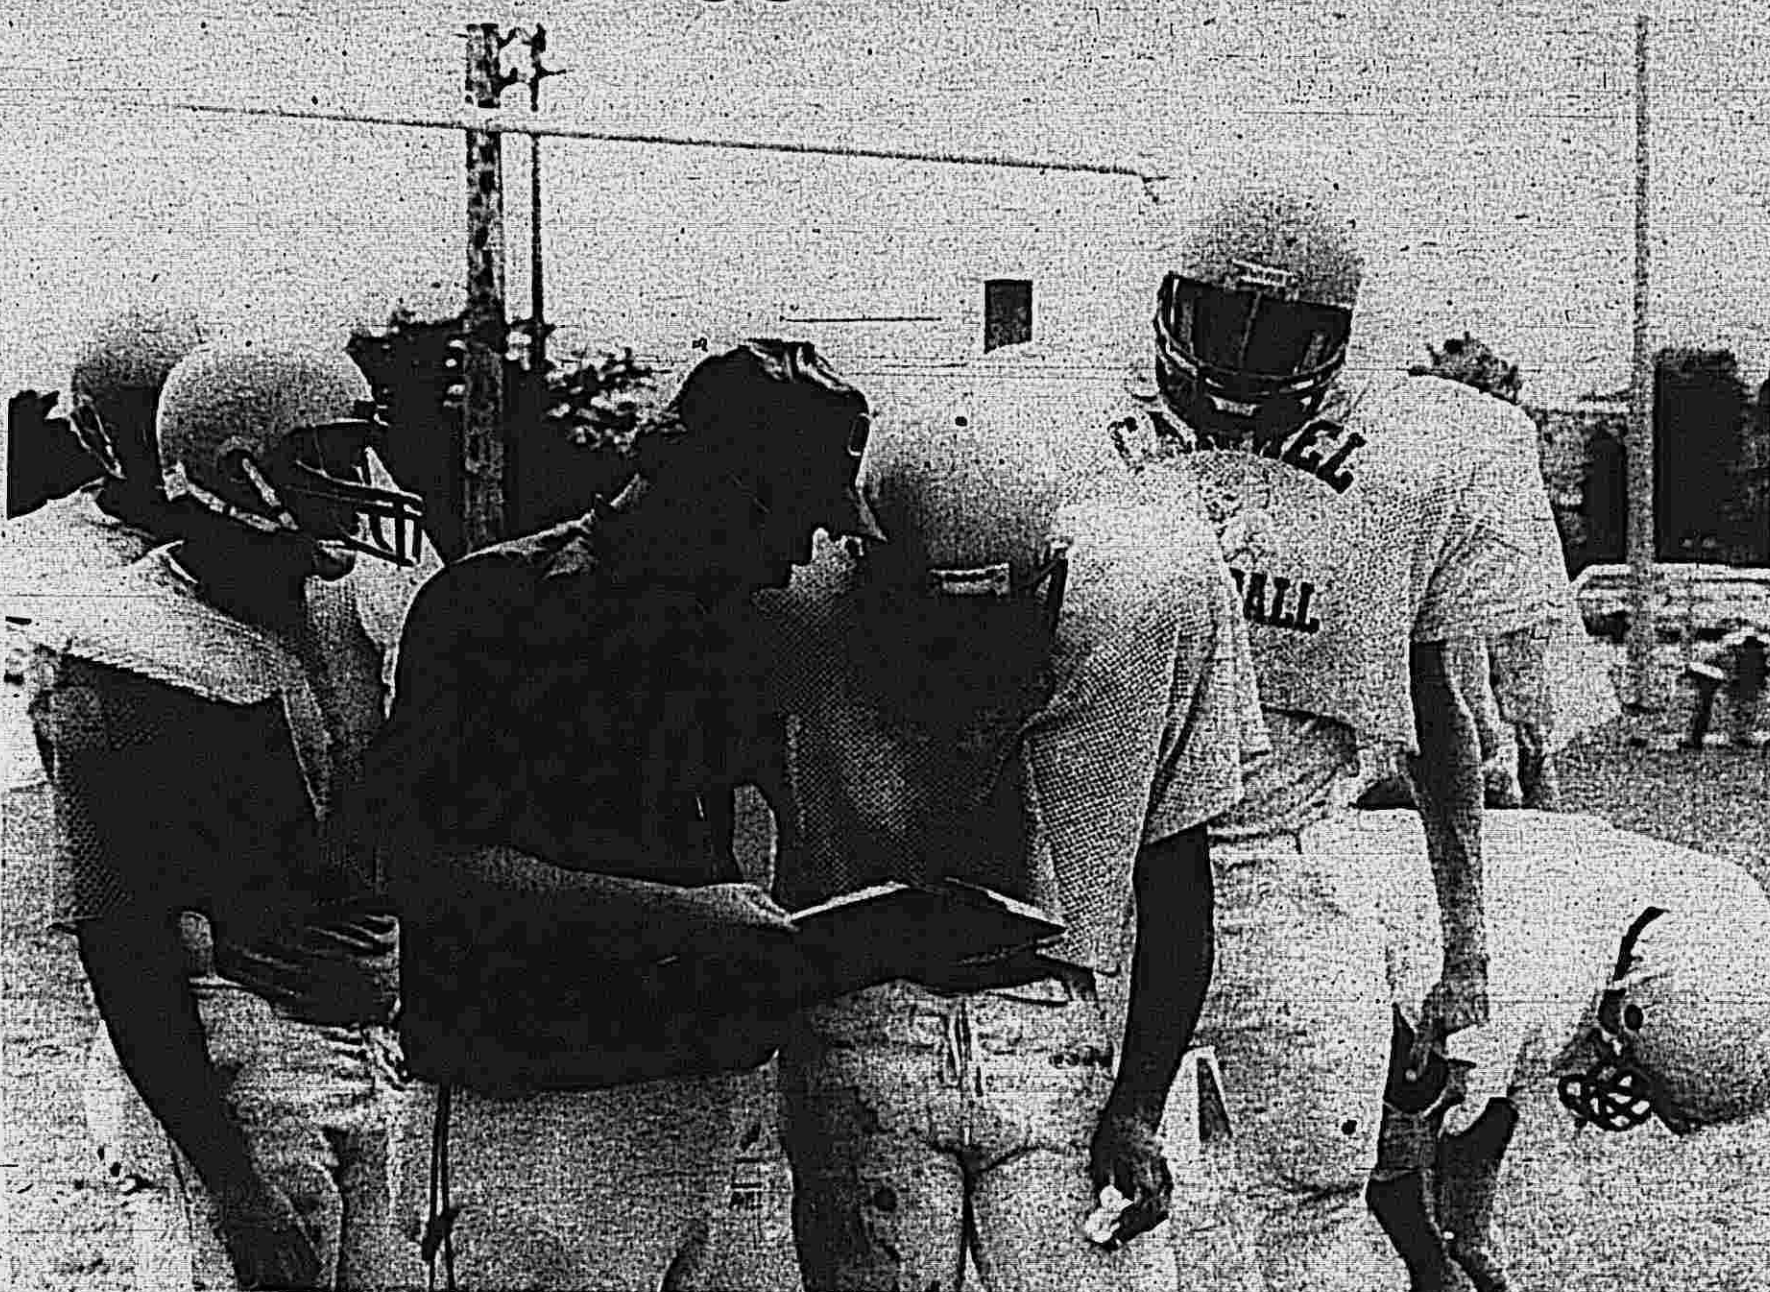

## Championship Games

The BIG events will take place on Nov. 22 and 23. The following is a list of the championship schedule: Nov. 22 - Championship Games at Hancock Stadium, ISU, Normal—Game No. 1A - Class 1A kickoff at 10 a.m., Game No. 2A - Class 2A Kickoff at 12:30 p.m., Game No. 3A - Class 3A kickoff at 4 p.m., Game No. 4A - Class 4A kickoff at 6:30 p.m.; Nov. 23 - Championship Games At Hancock Stadium, ISU, Normal—Game No. 5A - Class 5A kickoff at noon, and Game No. 6A - Class 6A kickoff at 2:30 p.m. C'mon team, take the ball and run with it!

## Class 6A Champion

East St. Louis (Sr.) won the Class 6A Championship with 13 wins and no losses. Their coach was Robert Shannon. Downers Grove (South) took the runnerup title with 12 wins and one loss. Their coach was Tim Mash.

The final score was 12-1.

*"It's outrageous to pay  
19.8% interest on a credit card..."*

*Sue Warndorf, Combined Services Supervisor, coordinates the efficient operation of Skokie Federal's VISA/MasterCard department.*

"It's outrageous to pay 19.8% interest on a credit card...yet so many people do. Unfortunately, most people aren't aware that they have another choice. At Skokie Federal, for example, we charge 18% interest and \$15 per year for a VISA or MasterCard. Citicorp, First National Bank of Chicago and Harris Bank all charge 19.8% interest and \$20 per year for a similar card. The choice in this case seems obvious...and in most other cases, too. Skokie Federal has among the lowest finance charges and annual fees offered anywhere.

"It's no wonder my staff and I are kept so busy. The number of customers we have keeps growing every day. Part of our success, too, is the personal attention and service we provide. At the downtown

banks there's frequently a long wait on the phone just to find someone who'll answer a billing question. Our customers know just who to call. They can be assured that their questions will be answered promptly by someone who is familiar with their account.

"I'm proud to be a part of the VISA/MasterCard team at Skokie Federal. I don't think there's a better credit card service around."

## Using Plastic Money Makes You Modern

There are two kinds of modern Americans — those who own charge cards and those who own credit cards.

Charge card owners pay cash each month and are free of debt, while credit card owners like the convenience of being able to buy now and pay over time.

Using a charge card is like putting cash on the barrel, because everything must be paid off each month. Credit cards are virtual permanent revolving loans. Chargers can pay off purchases in small chunks, while paying big chunks in interest payments on the balance.

In this first of two parts, The Meyers Report looks at charge cards such as American Express, Diners Club and Carte

blanche up to \$500 per week at participating banks and savings and loans.

When cardholders purchase tickets or rent cars with either the green or gold card, they automatically receive travel insurance — \$100,000 in personal insurance. Up to \$500,000 more insurance can be purchased.

Information phone: Green card: 1 (800) 528-4800; Gold card: 1 (800) 327-2177 (in Florida, call 1 (800) 432-2129).

**\*DINERS CLUB/CARTE BLANCHE.** On April 23, 1985, Citicorp's new Diners Club burst onto the charge card scene. An extensive new array of services are targeted to cut into the American Express market. But Diners Club is accepted by fewer establishments.

Carte Blanche, also accepted by fewer merchants than American Express, doesn't have the tempting Diner's Club services detailed below. But watch for Carte Blanche to add some unique services late this year or early in 1986.

Annual membership fee: Diners Club: \$55. Carte Blanche: \$40. Card holders must have a minimum annual family income of \$18,000.

Initial credit lines: None.

Revolving credit: None. Air travel payments can be extended over two years. For Diners Club holders, a \$2,000 to \$50,000 line of credit can be obtained. This allows for monthly payments on a balance of up to \$150,000 (with interest, of course).

Delinquency penalty period/amount: None. Account subject to cancellation if payments are not met within 30 days.

Carte Blanche services: Cash checks up to \$100 while traveling. Maximum of \$250 per week.

Diners Club special services: Included are a suite for a single's price at participating hotels; chauffeur-driven sedans for little more than taxi-fare; an office away from the office in 48 U.S. cities; guest privileges at health clubs; bonus points for purchases that are redeemable for gifts ranging from alarm clocks to vacations.

Cardholders receive free travel insurance. For all travel, both Diners Club and Carte Blanche offer \$150,000 in benefits. Diners Club offers air travelers \$650,000 in insurance (not available in Mississippi). Optional plans are available.

Checks up to \$250 can be cashed if you are staying at hotels accepting Diners Club. Checks up to \$1,000 may be cashed at Citibank branches.

Citicorp Travelers Checks are free of charge. Members also can purchase motor club benefits and card insurance.

Information phone: For service, 1 (800) 525-9135. To establish membership, 1 (800) 525-7376.

**THE WEEK AT A GLANCE:** Nationwide, the average interest rate on conventional 30-year mortgages with 20 percent down payments fell to 12.8 percent from 12.23 percent a week earlier. Adjustable-rate mortgages with annual rate adjustments rose to 9.96 percent from 9.95 percent last week.

This week 36-month new-car loans averaged 13.32 percent at financial institutions across the country, while rates on 48-month auto loans averaged 13.09 percent.

Blanche. Part two will look at revolving credit cards such as Visa and Mastercard.

In choosing among America's many popular cards, The Meyers Report offers the following comparison:

**\*AMERICAN EXPRESS GREEN/GOLD CARDS** are especially good for regular travelers. The cards are accepted nationwide and abroad, and merchants who accept them are reliable.

"We have strict criteria for choosing our merchants," said Sharon Gonzales of American Express. "Merchants also appreciate our strict credit policies for cardholders."

Annual membership fee: Green card: \$45. Gold card: \$65.

Initial credit lines: There is no preset spending limit for either card, if bills are paid on time.

Revolving credit: Green: None, except for travel tickets, which can be paid for over 24 months. Gold: Installment billing optional. Interest rates depend on the lending laws of your state and can go as high as 24 percent.

Delinquency penalty period/amount: After 60 days 2.5 percent of delinquent amount or \$10, whichever is greater.

Green card services: Personal checks are guaranteed for up to \$1,000 per week (per three weeks when abroad).

Gold card special services: Initial credit line is \$2,000 from your financial institution. Increased credit depends on your credit history and your banking relationship. While traveling, personal checks for up to \$5,000 per week (per 30 days when abroad) can be cashed at American Express offices and participating banks.

## Fansteel Elects Kerr

Keith R. Garrity, chairman and chief executive officer, has announced the election of Howard J. Kerr, 46, to vice president, Fansteel, Inc.

Previously, Mr. Kerr was president of Custom Technologies Corp. and joined Fansteel when this business was acquired from the Beatrice Companies in June of 1985.

In his new position, he will continue to be responsible for CTC, which comprises four operating companies: Wellman Dynamics, Inc., Federal Stampings, Inc., Escast, Inc., and Washington Manufacturing Co.

Kerr is a graduate of the University of Iowa and holds M.A. degrees in economics and international law from Tufts University.

He is a retired Navy Captain. During his 22-year naval career, he served as an aide to Admiral Elmo Zumwalt and to Vice President and President Ford. Prior to joining CTC in 1983, he was a consultant with Zumwalt & Associates.

Garrity said, "Howard Kerr is a highly motivated professional manager with a proven record of accomplishment. I am pleased to have Howard join our Fansteel management team

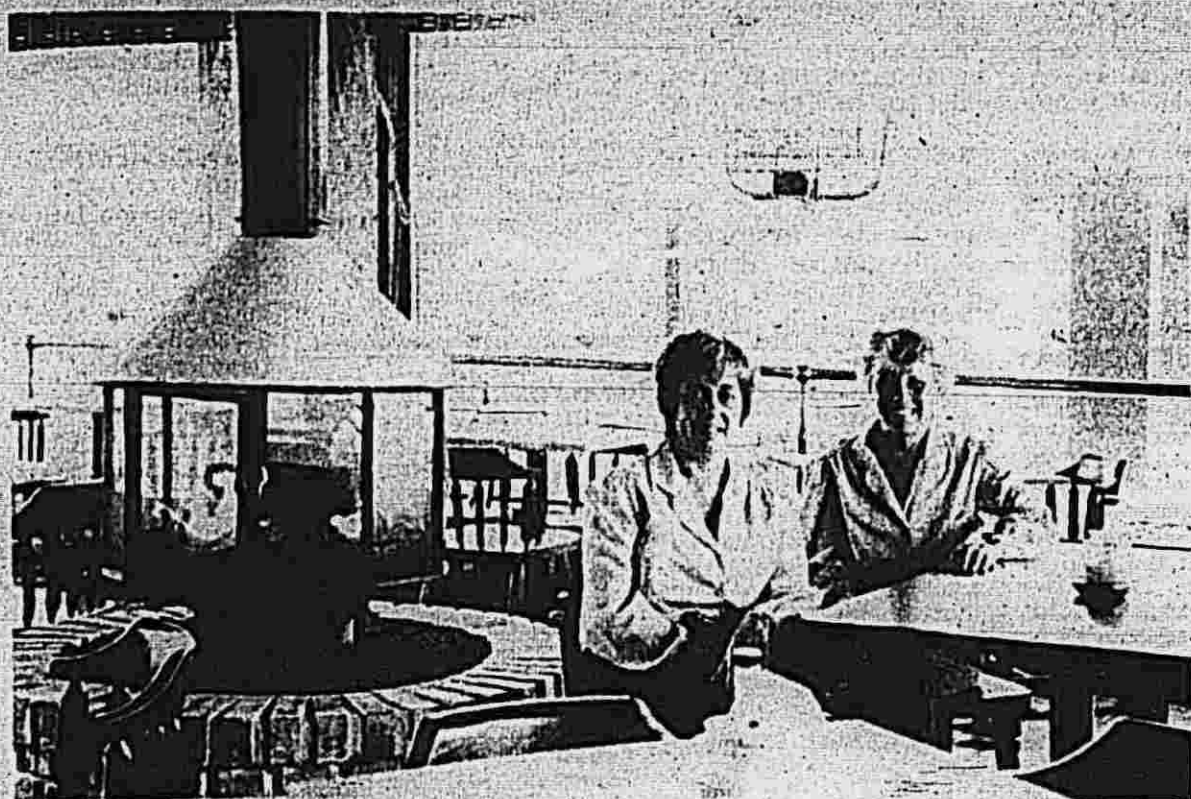

and feel fortunate to have his talent to build upon."

The CTC companies produce custom engineered parts for industry including castings, stampings, and wire forms. CTC's products and capabilities complement Fansteel's participation in key markets and expands the company's involvement with the metals industry.

Fansteel is an integrated producer of refractory metals and fabricated products for the electronics, electrical, aircraft/aerospace, metalworking, energy, and chemical industries.

## Cheery Atmosphere

Mickey Hansen, (left) and Barbara Regan worked hard to decorate Richard's to suit their own tastes as well as being a pleasant, cheery atmosphere for customers. A fireplace centered in the eating area is one of the homey touches the businesswomen are proud of. Regan states that the fire is usually kept lit throughout the winter months.—Photo by Debbie Horve.

## Richard's Offers Variety Of Tasty Dinners, Treats

by DEBBIE HORVE

"We wanted to go into business for ourselves and Richard's seemed like a good opportunity for us," Barbara Regan, half owner of Richard's Chicken and Ribs, 557 S. Green Bay Rd., in Waukegan.

Regan and Mickey Hansen, both of Park Ridge, opened Richard's in December of 1984 after a long search for a business venture. "This sight used to be Cal's Roast Beef. The Richard family found the site for us and we redecorated it to our tastes," Regan said.

Each of the three Richard's restaurants are run by the owners in the fashion they would like. "We put a lot of money and time into redecorating the building and getting started," Regan said.

"Right now our business isn't as good as we'd like,"

Regan said. "We have a median which blocks our entrance making it difficult to stop by. Many people don't realize we're here or what we offer," she added.

Hansen, Regan and their eight employees, offer many different dishes for customers to enjoy. There are seven different chicken baskets to choose from as well as three family dinner packages.

Sea food dinners are also available such as shrimp, fish, catfish and a fish sandwich. Barbeque Baby Back Ribs are also a taste treat. "We use a rotisserie to cook our ribs. They are all natural, we don't use any artificial tenderizers," Regan said.

There are five different beef plates available and a fresh salad bar for customers.

The salad bar has a variety of trimmings including tuna salad, cole

slaw, fresh fruits and vegetables, pistachio fluff, chicken salad, dressing and of course, lettuce. "Our employees make the cole slaw and potatoe salad fresh every morning," Regan said.

A new entre at Richard's is Roasted Barbeque Chicken. "This is less fattening and tastes great. We get a lot of requests for it," Regan said.

Side dishes of cole slaw, potatoe salad, livers, mushrooms, gizzards, corn fritters, baked beans and biscuits make a tasty treat or side order.

Richard's also offers catering and party orders. So far Regan and Hansen have catered small business meetings, home parties, picnics, senior citizen lunches and even a few weddings. There is also a dining room at the store which is available for private parties.

## Install Fontana

Caesar V. Fontana has been installed as president of the International Assn. of Printing House Craftsmen, Inc.

Mr. Fontana began his involvement with Craftsmen in 1964, when he joined the North Shore Club of Printing House Craftsmen. He was elected to their board of directors in 1965 and in 1969, was elected president of the North Shore Club. He then continued his involvement with the Sixth Dist. Society of Printing House Craftsmen from 1970-1972. In 1972, he was elected president of the Sixth Dist. Society.

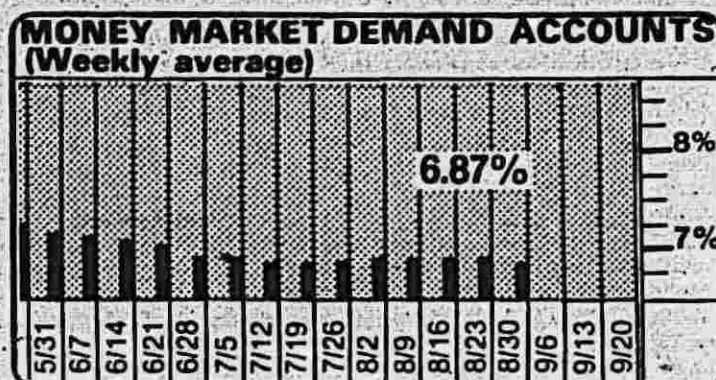

On the international level, he served for the past 10 years as deputy governor, governor, international membership chairman, international second vice president and first vice president.

Mr. Fontana is actively involved in Printing Industry of America, Printing Industry of Illinois, Waukegan/Lake County Chamber of Commerce, and Advisory Committee for Graphics Dept. of the Lake County Area Vocational Center.

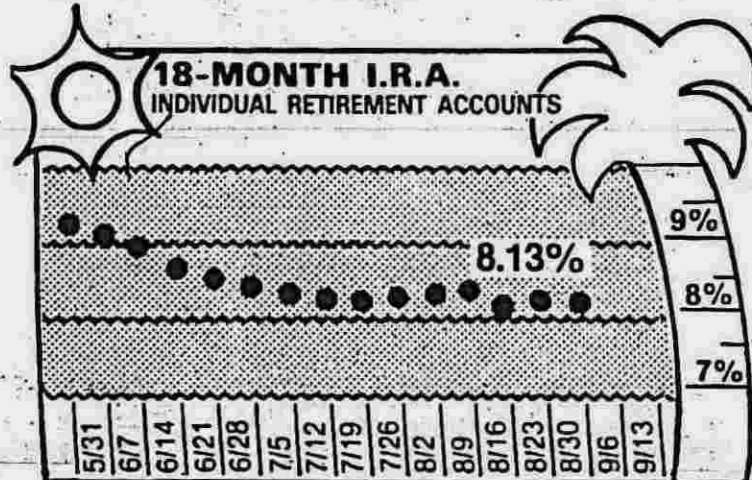

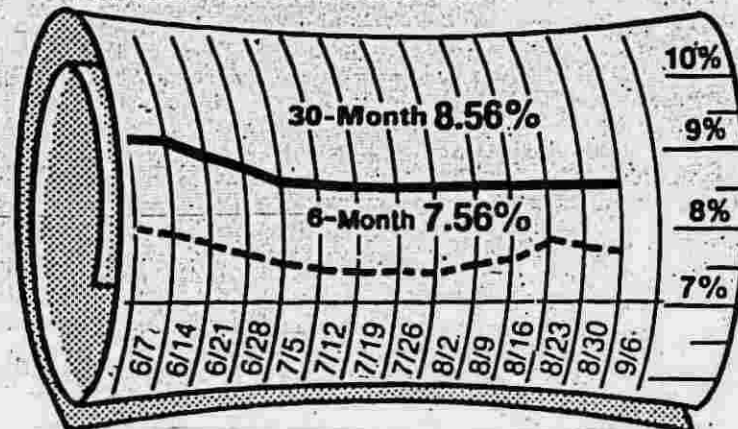

Caesar and his wife, Pat, reside in Gurnee. They own and operate Jobs Printing and Mailing, 1534 Washington St., Waukegan. Their son Donald and wife Amy; daughter Kathy and husband Mark; and son Philip, who is attending Northern Illinois University.

**Does the obligation to pay alimony end when the receiving spouse remarries?**

Yes, unless the parties have agreed otherwise, Illinois Law specifically ends the duty to pay maintenance if either spouse dies, or if the receiving spouse remarries.

\*\*\*\*\*

**What does "per stirpes" mean in a Will?**

When a Will provides for children to receive the estate "per stirpes" (a Latin phrase meaning "through the boots"), if a child dies before the parents, then any grandchildren would take their deceased parent's share.

\*\*\*\*\*

**What does "per capita" mean in a Will?**

This Latin phrase means "through the head" and is the opposite of "per stirpes." A child would need to be alive to take under the Will. The grandchildren would not receive the deceased parent's share.

# Murphy's Law Enters During Crazy Season

**WARDEEN HARRIS**  
(312) 395-2861  
It's been a quiet week at the Harris household. You wouldn't know with school starting Murphy's Law has once again entered our house. It's not even winter yet and there is a stomach flu going around and once you have it, you're glad when it finally goes away. Hopefully next week will start off better and life will be back to it's normal crazy state.  
Just a few things to report.

The girls iceless hockey league will have registration at the Old Antioch Firehouse (across from the post office) on Wednesday, Sept. 4 from 7 p.m. to 9 p.m., Friday, Sept. 6 from 7 p.m. to 9 p.m. and Saturday, Sept. 7, from 9 a.m. until noon. The registration fee is still \$15 and each girl will receive an iceless hockey stick and shirt.  
Games will be played on Friday nights and will be starting up in September for approximately twelve

weeks. For those of you who are new to the game, the girls play inside a school gym. The only requirement in way of equipment is for the girls to wear gym shoes. It's a great sport and a lot of fun for the girls and their parents.

1-6 will be Sept. 15 and their first day of class will be Sept. 21 from 9 a.m. to 10 a.m. The junior high students will have their registration on Wednesday, Sept. 18 and their class will also start that night. They will meet from 7

Sept. 9 and will be 10 years old. Jenny Harris will turn 13 on Sept. 11. Mr. Clark will be celebrating his day on Sept. 11 too! He's a junior high teacher at Grass Lake School. Happy birthday to you all!  
Five families from the Pack 80 Cub Scout troop had a great time last week at the Wilmet race track. It was a little muddy, a little noisy, but a lot of fun for: the Fleshmans, the Prillers, the Wards, the Maraslas and the Castelllos.

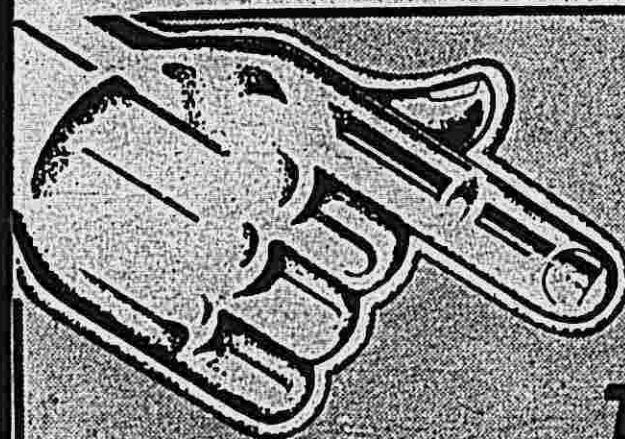

## Grass Lake News

Here's some information some of you have asked me about. St. Peter's CCD classes will be starting soon. CCD registration for grades

p.m. until 8:30 p.m.  
Happy birthday wishes to Neil Hansen who will be 6 years old on Sept. 6. Kathy Harris will have her day on

## Changes Social Schedule

An icecream social for seniors will start at 11:30 a.m., instead of 1:30 p.m. as previously scheduled.  
The social will be at Oakridge Village, on N. Route 83, in Antioch, from 11:30 a.m. until 4:30 p.m. on Sunday, Sept. 8.  
Seniors can purchase icecream and cake. There will also be a bake and craft sale.

## Coaches See Patriots On Top Of Conference

by Dan G. O'Shea

The consensus of Lakeland area North Suburban Conference football coaches seems to be that Stevenson High School's Patriots are the team to beat this year.

This may be due to Stevenson's new combination of size and speed. Speedy senior Vince Smith and equally quick junior Pat Cadichon provide the link previously missing at the Prairie View school.

Mundelein coach Gary Heifner thinks Stevenson's talent makes the Patriots a strong team in the league but he thinks that Zion-Benton lies just a fraction behind Stevenson, with Libertyville just a fraction behind Zion.

Although there isn't too much depth on his own Mustangs, Heifner thinks his team should be able to finish in the upper part of the standings. He also said that Mundelein may be one of the

surprise teams in the league, along with North Chicago and Niles North.

He said he will have to count on his young quarterbacks to come through. He concluded, "You can't win if you don't score, so we've been working hard on offense."

Antioch coach Steve Wapon said, "On paper, Stevenson is the favorite with their size and speed, but there is really no weak team in the league." Wapon says Antioch is one of the average teams in the league and his team is inexperienced.

He added that the Sequoits will have to count on a sound defense.

Warren High School coach Reggie Hughe commented, "Stevenson looks like the odds-on favorite." He also mentioned Zion as being in contention.

As for the Blue Devils, Hughes believes his team should finish in the middle of

the pack. He said Lake Forest and Antioch may be surprise teams.

He added that Warren will really have to depend on its defense.

North Chicago coach Robert Brothman sees a number of teams in contention during the nine-game schedule, including Stevenson, Warren, Zion, Antioch, Libertyville and his own Warhawks.

Though North Chicago was shut out in its first game by Warren, Brothman has no doubt that his team will be able to score points. He said he learned quite a bit in the first game and there may be a few position changes.

Brothman also believes Warren may be a little underrated. As for North Chicago, he said the Hawks will have to depend heavily upon their defense.

Both, Brothman and Hughes are in their first year as head coaches.

## Mustangs Gearing Up For Stevenson Game

Mundelein High School is gearing up to face Stevenson in an away game on Sept. 7. But the Mustangs will try to play with limited offense and defense as it did against Antioch.

Mundelein beat Antioch 8-6 last week by playing with few errors and picking up on recovering opportunities.

One big break was a fumble recovery by Steve Pape late in the game. Another opportunity came from the Mustangs' ability to gain numerous first downs. Also, the Mustangs were able to move the ball well with a variety of offensive plays.

"It all added up," Head Coach Gary Heifner said. "I

think we were the underdogs with an aggressive defense." He said the team was conservative on its offense.

Touchdowns were made by Mike Lech and John Carr. Heifner also credited the junior secondary, citing Jeff Geary as playing a "strong

defensive game. He and Don Maresch covered Antioch's key receivers well, he said.

Looking at the Stevenson game, Heifner said the Mustangs will work on getting more points on the board.

## Wauconda Hopes To Maintain Defense

by DONNA DUNCAN

Wauconda will practice improving its offense and continuing effective defense in preparation of the Sept. 7 home game against Jacobs Eagles, of Algonquin.

Wauconda had a successful season opener against Cary-Grove on Aug. 30 and Head Coach Fred Loffredo credits his defensive coach Len Siatta, for his calls.

"Our defense did a fine job. The offense is still about a couple weeks away," Loffredo said.

He also credited Kerry Kohlbacher for coaching the secondary, which made five interceptions and Jim Kelly, in charge of the linebackers.

The players, Loffredo said, work well as a team, and gave credit to their former sophomore coach Don Geibel.

Three Bulldogs scored touchdowns, including Ray Terrian, from a 65-yard pass from Tony Niemo; Norm Niemo scored a touchdown on a one-yard run and Rob Hefke went into the end zone on a 20-yard run.

Norm Niemo, tackle, was credited for leading the defensive line.

Loffredo described Jacobs as being a bigger and stronger team, which Wauconda will need to stop the running. The Bulldogs also have to make less mistakes and improve the offense.

"We have to play better to beat Jacobs," Loffredo said. Along with working harder on the offense, the specialty teams will be given more work, he added.

## Sequoits Lose Season Opener To Mundelein, 8-6

The Sequoits will spend this week preparing to face the Lake Forest Scouts at Lake Forest, at 2 p.m. on Sept. 7, after losing their North Suburban Conference opener to the Mundelein Mustangs, in a close one, at Antioch on Aug. 31.

After playing more than three quarters of a scoreless game, with just 4:27 left in the final quarter, Mundelein crossed the goal line when the Mustangs' quarterback Mike Lech was literally pushed by his line into the endzone.

Seconds later, he used the shotgun to complete a two-point conversion pass to John Carr to make the score 8-0.

The Sequoits immediately countered with a drive to the Mundelein one-yard line; led by quarterback Mike DoBosh who completed seven out of his 10 passes.

With no time out left for Antioch, and the final seconds of the game ticking away, Sequoit Pat Bruks went over on the fourth down to make it 8-6. But the clock and luck ran out for the Sequoits when Bruks failed in the conversion try in an attempt to take the game into overtime.

Although Antioch made mistakes that could have seen Mustang scores in the first two quarters, Mundelein failed to capitalize on them.

Antioch's offense failed to

gain appreciable yardage in these quarters.

In the third quarter, Sequoit Larry Rodgers intercepted a Mustang pass, taking it to their 36-yard line, but, the Mustang offense held, stopping any Sequoit scoring attempt resulting from the interception.

## Carmel Shooting For Second Straight Win

**DONNA DUNCAN**  
Carmel High School plans to repeat its consistent control in offense and defense when it faces Woodstock on Friday, Sept. 7.

Carmel routed past the Waukegan East Bulldogs to 22-0 win last week.

"The boys played well. We took control of the game from the start and maintained control throughout the game," Head Coach Jim Reje said.

Three players who were credited for scoring one touchdown each were Jim Young, Tim Cullinan and Chuck Foy. Also, Jerry Malone made a field goal and one extra point.

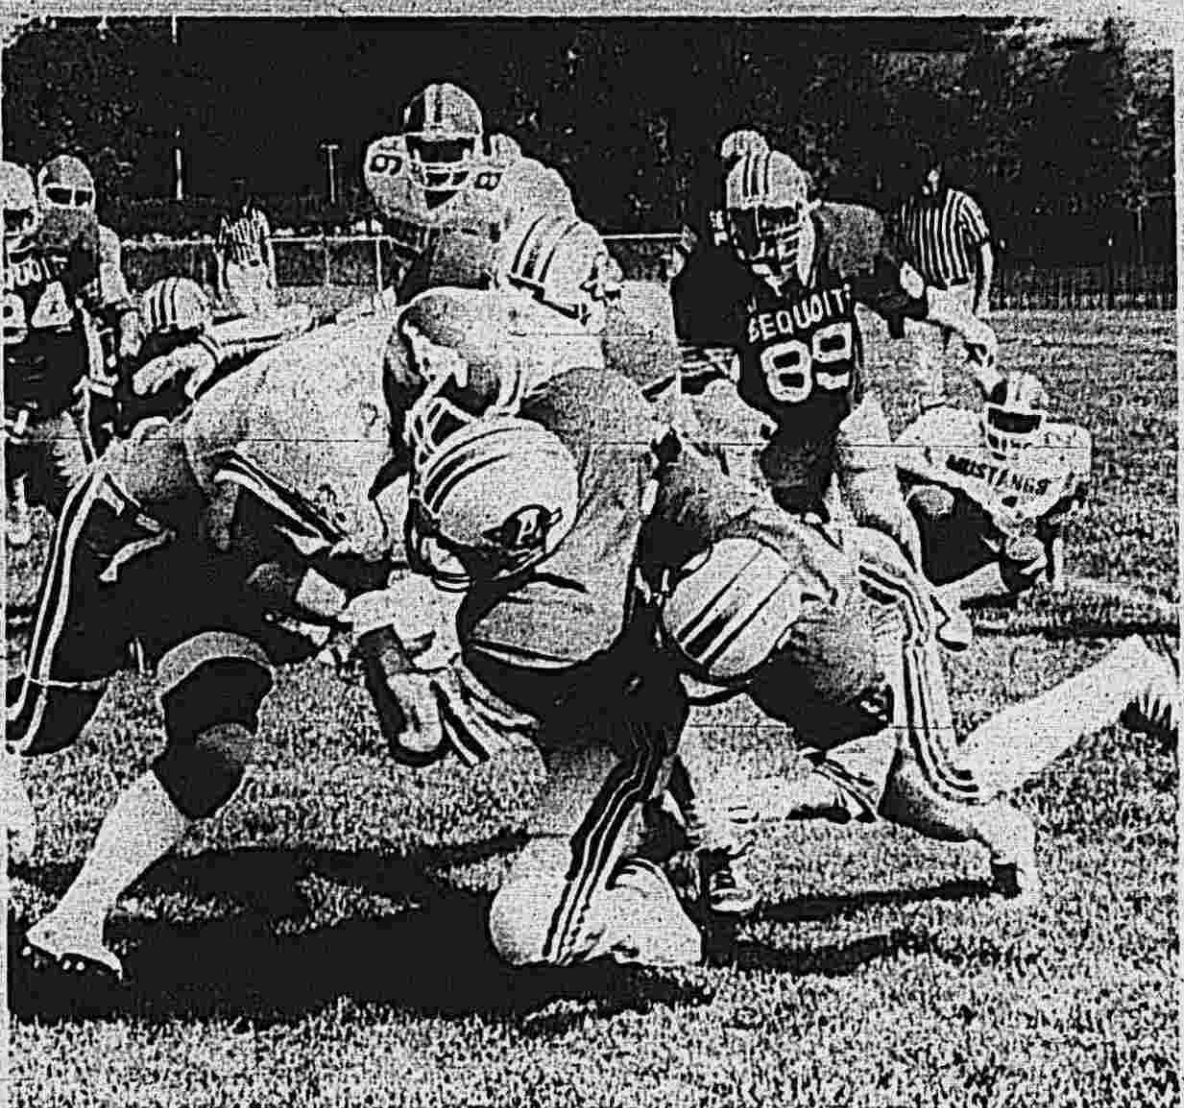

Other key players in the game were: quarterback John Terlap, fullback Chuck Foy, center and leftback Craig Stachle and tackle Ken Godwin.

Defensively, Carmel saw action from Chris Budris and Bill Fleming.

The team turned out to play 60 percent running and 40 percent passing. When it came to a 22-point lead, the Corsairs reduced its passing.

"We feel we're going to be tested," Reje said, referring to the upcoming game. "It's a matter of going into the game with a consistent level of excellence and to be aggressive again and to stay away from mental mistakes," he added.

The Carmel sophomore squad also beat Waukegan East 24-0.

## Panthers, Warhawks Ready To Even Up

The Round Lake Panthers will try to even their overall record this weekend when they play at Dundee-Crown Saturday, Sept. 7, at 2 p.m.

The Panthers started their season off on the wrong foot Aug. 31 when they were defeated by Elmwood Park at home by a score of 12-0.

"You're not going to win too many games if you don't score any points," Head Coach Mike Dunn said after his team's disappointing loss last weekend.

Dunn credited the loss to very poor field position throughout the entire game and a below-average kicking game.

Although his team was shutout, Dunn said his kids are ready to come out

fighting against Dundee-Crown.

"They're (Dundee-Crown) a big, rugged team. They have an excellent coach in Bob Carlson and I think it's going to be a very physical game," Dunn said.

The North Chicago Warhawks will also have their hands full when they face the Fenton Bison at home on Sept. 7, at 2 p.m.

The Warhawks were also defeated in their season-opener by the Warren Blue Devils by a score of 27-0.

The Blue Devils jumped on the Warhawks quickly and never looked back.

## Defeat Grayslake

by DEBBIE HORVE

The Grayslake Community High School Rams began its football season with a loss to Driscoll 16-0.

Grayslake Coach, Tom Wittum, feels that working with the linemen will help improve the team's position. "We lost 81 yards in quarterback sacks," Wittum commented.

"The linemen need to work on blocking techniques," Wittum added.

The team began the season without nine of the Rams

players due to a state practice rule.

"The rule says that a player must participate in at least 14 practices before playing in a game. We've had some players on vacation and they didn't make enough practices by the first game," Coach Tom Wittum said.

"The next game will be the first one for many players. It'll be like the first game all over again," Wittum said.

This year the team is made up of 17 seniors, many

of whom have not played football. "We are a little short on experience but I feel we have a good team," Wittum said.

Wittum comments that the team has worked well together in practices. "But with a team made up of a lot of seniors without experience there's no telling what will happen," Wittum said.

The next Rams game will be at home at 1 p.m. on Saturday, Sept. 7 against Racine.

## Bulldogs Start Strong, But See A 33-20 Defeat

by KAREN WILTBERGER

The Bulldogs came out of the gate fast in their home opener. Sophomore Kevin Frystak took the opening kick-off 81 yards for a touchdown and Brian Catalano's conversion gave Grant an early 8-0 lead against Ridgewood.

Quarterback Mark Borton's touchdown (extra point blocked) in the first quarter gave Grant a 14-6 lead. Then Borton scored again to leave Grant on the short end of a

21-20 score at halftime.

Fumbling three times within their opponent's 5-yard line in the second half caused the Bulldogs to go down to a 33-20 defeat.

Borton led the offense completing 12 of 18 for 181 yards in his first varsity start.

"We were not consistent enough," said head coach Mike Rogowski, adding that at times the Bulldogs played exceptionally well in their first game of the year.

"We came out healthy this game," Rogowski said, looking forward to a must game against crosstown rival McHenry Saturday at McHenry.

## NEXT WEEK'S

## HOROSCOPE

BY SALOME

**Aries** (Mar. 21-Apr. 19) Cupid didn't pull the wool over

your eyes, Lamb. You just didn't give the chubby cherub

enough time to do his best. Call that certain someone

and ask for another chance.

**Taurus** (Apr. 20-May 20) Last summer's best-made

plans start showing results. Fall turns into a season of

opportunity. Don't neglect the homefront, though, as

you pursue this field of choices.

**Gemini** (May 21-June 20) Unknown areas invite ex-

ploration. Take those well-calculated chances you've

been preparing for. Growth comes with challenge. Also

make time to spend with loved ones.

**Cancer** (June 21-Jul. 22) Tie up raveled relationships.

Friends who stood by you earlier still remain a source

of comfort for you. Show your appreciation by making

amends for rash actions.

**Leo** (Jul. 21-Aug. 22) Expect to add more members to

your army of admirers as you expand your role as the

purrrfect Social Lion. Folks rally around the Big Cat

whose magnetism is undeniable.

**Virgo** (Aug. 23-Sept. 22) Ignore those who dwell on the

negative and find supporters among those who advocate

a positive attitude as the best way to gain the goals you

hope for.

**Libra** (Sept. 23-Oct. 22) Find your rhythm and proceed

at the pace that's most comfortable for you. Rushing

and pushing only wear you out. Each successful lap

builds new confidence.

**Scorpio** (Oct. 23-Nov. 21) No excuses are necessary,

but explanations will be called for. Be prepared to de-

fend your actions so that you gain supporters, not

detractors, for your goals.

**Sagittarius** (Nov. 22-Dec. 21) Wisdom comes out of

knowing what went wrong in the past. Learn from re-

cent errors and apply your lessons to upcoming situa-

tions. The odds are in your favor.

**Capricorn** (Dec. 22-Jan. 19) Domestic situations call

for more compassion than criticism. Curb your tenden-

cy to pass judgment. How you act now determines the

reactions of others later on.

**Aquarius** (Jan. 20-Feb. 18) Your open, honest and

friendly attitude inspires superiors to entrust you with

new responsibilities. Continue to prepare for advances

in your chosen field.

**Pisces** (Feb. 19-Mar. 20) An undemonstrative person
